**MONTH of JANUARY, FEBRUARY & MARCH 2019**

- *Pastor Colleen*

# **Blessed New Year !**

Praise the Lord Saints of the most high God. Today's scripture is from Isaiah 43:18-21, John 2:1-10

I wish you A Glorious and a blessed new year 2019. The New Year is filled with super natural surprises for you. He will do new things in your life. He has already given you victory over every challenge and situation. You will take what is yours by fighting against every giant by holding on to his word by faith and entering into deep prayer by praying in the spirit. Live your life in line with Gods word in the fear of God. Follow the instructions God is giving you. This year be quick to do what He tells you to do and have the good and the best wine from the beginning of the year to the end. Walk by faith and live by faith. Knowing that the one who promised is able to perform. God bless you. richly and abundantly.

## **01 January**

Praise the Lord, people of the most high God. Today's scripture readings are from Psalms 32:8; Luke 5:11

The word of God wants us to obey and follow instructions. The Lord says, "I will instruct you and teach you in the way you should go; I will guide you with my eye. In this season don't miss out on Gods instructions be quick to obey them instantly. Peter and his friends' toiled whole night and caught nothing. In this year you might have worked hard and did everything you did but have nothing to show but like Peter at the word of the master Jesus he let his net down and caught the biggest catch. What is God asking you to do to have your catch or your break through just do it. And receive your net breaking un-containable blessings. Your best is yet to come. God bless you.

## **02 January**

Praise the Lord people of the most high God. Today's scripture reading is 1 Cor 15:58 and 1 Cor 16:10

This year beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labour is not in vain in the Lord. No matter what you face this year how big the challenge looks you will not fear because the Lord Your God has already given you victory over these things you shall not be

moved or shaken. You will work in the vineyard of the Lord labouring in the kingdom of God much more than you did not because you want to be blessed but because you love him. The Lord who is watching you will not allow your labour to go in vain but He will reward you much more than you can expect. He will direct your path and fulfil all that He has promised. Let your life be purposeful and in God's plan. God bless you.

## **03 January**

Praise the Lord people of the most high God. Today's scripture is from Mathew 28:18-20; Mark 16: 14-20

God has great work for us in this New Year. He says the harvest is plenty but the labourers are few. He wants us to be fishers of men. Jesus said "Go therefore and make disciples of all nations baptising them in the name of the Father son and the Holy Spirit teaching them to observe all things that I have commanded you and lo I am with you always even to the end of age". Amen. This year is a year of a big catch. Let us take all the opportunities that we have to spread His light and to make Jesus known to many. Let us fulfil God's great commission by seeking the kingdom of God and its righteousness and all other things shall be added unto you. While you go out doing what God commanded you to do through His word, you will be accompanied by signs and wonders. God bless you.

## **04 January**

Praise the Lord Saints of the most High God. Today's scripture reading is from Mathew 6: 25-34; Proverbs 3:5-6; Phil 4:6

This year you will not worry about anything but you will cast all your cares unto the Lord for He cares for you. You will not be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your request be made known to God. God cares for the birds in the air who neither sow nor reap, yet our Heavenly Father feeds them. You are much more valuable and precious in His sight and He has already provided everything for you even before a need can arise. Just like the ram was kept for Abraham even before he made his way to the top of the mount. He couldn't see it because it had to be provided at the right time, similarly what you need will be given to you at the right time just learn to trust him fully and lean not on your own understanding. In everything you do acknowledge the Lord and He will direct your path. Right now, He is making a way for you and He will direct your footsteps according to his word. God bless you.

## **07 January**

Praise the Lord people of the most high God. Today's scripture is from Psalms 112:1-3; Isaiah 58:14

This year you will take delight in the things of the Lord and you will take pleasure to be in the presence of God talking to him and loving on Him more than anything else. You will acknowledge His presence at all times. (Not just in church or services) but you will spend your quite times with him. When we delight greatly on Gods commandments our descendants will be blessed and mighty on earth and wealth and riches will be in our homes. The Bible also says that when you delight yourself in the Lord He will cause you to ride on the high hills of the earth and will feed you with the heritage of Jacob your father. Spend quality time with God for who He is not for what you want from Him. Everything you need will surely come to you at the right time in your life no doubt about it. Continue to seek his face with a love song to Him and for Him. God bless you.

## **08 January**

Praise the Lord children of the most High God. Today scripture readings are from Psalms 42:1-2; Psalms 63:1-2 Psalms: 23

Develop an intimate and deeper relationship with God. Intimacy means close relationship or attachment with mutual affection. Have an intimate relationship with Him. Like the Psalmist says "As the deer pants for the water brooks so pants my soul for you O God." May this be your desire & prayer to the Lord? Take joy in fellowship with God. David said, "O God you are my God. Early morning will I seek You, My soul thirsts for you, my flesh longs for you in a dry and thirsty land, where there is no water? So I've looked for you in the sanctuary. To see your power and your glory." This would be our prayer to the Lord – I want you Lord more than anything. Early will I seek you and early will I find you. As you develop that intimacy and closeness with God you will see psalm 23 come alive in your life and you will enjoy the benefits that David had and much more. God bless you.

## **09 January**

Praise the Lord Saints of the most High God. Today's scripture readings are from psalms 118:5; Job 36:16; Psalm 31:8

The word of God says “I called on the Lord in distress. The Lord answered me and set me in a broad place”. This year, God is going to place your feet in a broad or a spacious place free from danger, anxiety, want, or distress. It means, your Canaan or your place of deliverance. In Job 36:16 – He will bring you into a place where there is no restraints (nothing can limit you or stop you) and what is set on your table would be full of richness because the Lord delights in you. Stay focused on him and let him carry you to the broad place that He has prepared for you. God bless you.

## **10 January**

Praise the Lord children of the most high God .Today's scripture reading is from Isaiah8:18;Acts5:12;Heb2:4

We and our children we are for signs and wonders in Israel from the Lord of host who dwell in mount Zion. You and I came into the world as a sign and wonder and as we preach the gospel of our Lord Jesus Christ we shall be accompanied by signs and wonders just as the apostles saw signs and wonders follow them. As you declare Gods word in faith you will experience power explosion and you will see signs and wonders. Hebrews 2:4 says “God also testifying with them, both by signs and wonders and by various miracles and by gifts of the Holy spirit according to His own will “God also wants to testify both by signs and wonders of His Holy presence in our lives .Acknowledged His presence every moment and be a beneficiary of all that’s coming your way. God bless you.

## **11 January**

Praise the Lord people of the most high God. Today’s scripture is Isaiah 22:22; Rev 3:8; Isaiah 45:1.

The Lord says to His anointed (insert your name) whose right hand I have held to subdue nations before him and loose the armour of Kings, to open before him the double doors, so that the gates will not be shut. The Lord is holding you by His right hand. He will crush everything that is rising against His name. God has opened a door in your life that no man can shut. In your weakness your lack of strength Christ says “Arise and walk through the doors into the Supernatural where I will give you rest. Expect doors to swing open for you because of the king of Glory in your life. Jesus says I am the door my sheep hear my voice and they go in and out and they will find pasture. Walk through the open doors. God bless you.

## **14 January**

Praise the Lord people of the most high God. Today's scripture is from 1 Cor 16:9; 2 Cor 2:12; Isaiah 22:22

This is your season of open doors. Prayer, Praise and worship and your life in line with Gods word have the power to unlock doors for you. Walk in LOVE and forgiveness and see God open doors for you. God will not allow you to go through Protocol but He will break Protocols, change the law and turn rules and regulations upside down for your sake because of who you are and whose you are. Paul saw doors open up for him in Troas to preach the gospel. He also says a great and effective door has opened to me and there are many adversaries. The adversary will never want you to position yourself in the right place at the right time to walk into your open door so he will always come to distract you. Don't be distracted. Be FOCUSED. Walk into your open doors. God bless you.

## **15 January**

Praise the Lord children of the most high God. Today's scripture is 1 Cor 13:4-8; Matthew 22:37-40.

Walk in love. Jesus said, "You shall love the Lord your God with all your heart, with all your soul, and with all your mind." This is the first and great commandments. And the second is similar to it – "You shall love your neighbour as yourself". On these two commandments, hangs all the law and the prophets. To see Gods word work in our lives, we should walk in love even when we are being hurt, wounded or back-stabbed. We continue to love like how Christ loves us with His unconditional and everlasting love. "Love is patient and kind. Love is not jealous, it doesn't boast, and it is not proud. Love is not rude, is not selfish, and doesn't become angry easily. Love doesn't remember wrongs done against it. Love is not happy with evil but is happy with truth. Love never ends but gifts of tongues and prophesies will end. God is love and if we claim that He dwells in us we must love one another. God bless you.

## **16 January**

Praise the Lord Saints of the most high God. Scripture reading is from Psalms 50:16-21; Gal 6:1; Matthew 7:1-5

The Bible says if we love the Lord, we would keep His commandments and our life would be in line with God's word. That's when we live a life in the fear of

God which is the beginning of wisdom and to shun evil is understanding. Jesus said whoever listens and follows these sayings will be like a man who builds his house upon the rock. In Psalms 50:16-17, But to the wicked God says What right have you to declare my statutes, Or take my covenant in your mouth. Seeing you hate instruction and cast my words behind you? We have no right to declare His word when we don't do what He says. The Lord says be a doer of the word not just a hearer. Take time to introspect yourself and your life using the manual, instruction book – the Word of God. His word is a double edge sword it has the power to change us and make us whole. God bless you.

## 17 January

Praise the Lord children of the most high God. Today's scripture is from Jeremiah 17:5-8; 2 Chr 32:8; Psalms:118:8

“Cursed is the man who trusts in man and makes flesh his strength”. “For he shall be like a shrub in the desert. And shall not see when good comes, but shall inhabit the parched places in the wilderness. In a salt land which is not inhabited”. Blessed is the man who trust in the Lord, and whose hope is in the Lord. Because of which he shall be like a tree planted by the waters which spreads out its root by the river. As a result, will not fear when heat comes. The leaf will be green, all the seasons. And will not be anxious in the year of drought nor will cease from yielding fruit. We shall not be anxious as we have trusted in the Lord. Hence, we will yield fruit in every season because the Lord our God is with us to help us and to fight our battles. Your help comes from the Lord who made heaven and earth. Help is coming your way as you continue to trust in Him completely. God bless you.

## 18 January

Praise the Lord people of the most high God. Today's scripture is from Psalms:20:7; Psalms 125:1 and Proverbs 3:5-7.

This year you will “**Trust in the Lord with all your heart**“. And you will lean not on your own understanding. You will acknowledge Him in all your ways, And He shall direct your path”. Our God is a dependable God. Always dependable and always faithful. We can lean on the everlasting arms of our Father. He will carry us through. The woman of Zarephath could have leaned on her own understanding and could have chosen death. But she chose to trust God's word and had an abundant life. Even while, there was famine everywhere there was running over in her life. The Bible says some may trust in horses and some may

trust in chariots but we will trust in the name of the Lord. The name of the Lord is a strong Tower. Those who trust in the Lord shall be like mount Zion and they shall not be moved. This year nothing will shake you or move you because you have put your trust in the Lord. The Lord God will move for you as you go out in His might and power. God bless you.

## 21 January

Praise the Lord people of the most High God. Today's scripture is from Revelations 21:5-6; Isaiah 42:9; and Isaiah 43:19.

God says, "Behold I will make all things new". And He said to me, "Write for these words are trust worthy and true". The Lord wants us to trust in His word completely. He says that His word is true and trustworthy. He also says "It is done". So, we shall expect new things in our life. Let us stop referring to past things. Yea, Forget the former things and don't dwell on the past. **"Behold I shall do a new thing and it shall spring forth"**. New things are springing forth. It's a season to bury the past and embrace the new. Hold on to His word. It shall surely come to pass. Your status is changing. God is making your life brand new. He is doing something new. Therefore, don't be confused and downcast. Walk with confidence into those new things that you have long awaited for. God bless you.

## 22 January

Praise the Lord people of the most high God. Today's scripture reading is from Psalms 105:1-5 and Psalms 77:10-12.

We are almost coming to the end of this first month of the year. Let us take time to thank God by remembering His mighty deeds and His faithfulness towards us. Let us do so by meditating on these two Psalms. The psalmist tell us to thank God and sing Psalms. We should speak out His wondrous works and His Marvellous deeds which He has done for us. Let us rejoice in him and seek the Lord and his strength. You are our God who is so great and who does wonders. You have always declared your strength among your people. Even now you are doing wonders for us. He is working out a work that no man can work out for us. Therefore, just believe in Him. God bless you.

## 23 January

Praise the Lord Saints of the most high God. Today's scripture reading is from 2 Cor 2:14; 1 Cor 15:57 and Deuteronomy 20:4;

Let us give thanks unto God, who always causeth us to triumph in Christ. God always gives us victory over everything through our Lord Jesus Christ. Declare, victory over every situation, circumstance and over every expectation knowing that in Christ there is no defeat and in Him we are more than conquerors. For the Lord your God is mighty in battle. He that goeth with you is mighty. He is named the Lord of Hosts, the commander of God's Army. Therefore, He will fight your battles against your enemies to save you. Rehearse your victory and prepare your testimony in advance. Let us give God all the glory honour and praise for His finished works. God bless you.

## **24 January**

Praise the Lord Children of the most High God. Today's scripture readings are from Deuteronomy 12:7; Psalms 119:162 and Psalms 92:4.

Beloved this morning, I just want to encourage you by telling you that the enemy has no right to steal your joy because he never gave it to you in the first place. The joy of the Lord is your strength. You will rejoice always in every situation and circumstance because you know that your God is in control. The Psalmist says "For you Lord have made me glad through your work; I will triumph in the works of your hands". The fact that you can't see anything happening in your life doesn't mean God hasn't worked it out. He is the God of all flesh. Is there anything too hard for him? Your rejoicing in him is an indication that you trust in him. In other words, you know that He has worked out all things for you. The Psalmist says "I rejoice in the word of the Lord as if I find great spoils". Therefore, REJOICE. Our God reigns. God bless you.

## **25 January**

Praise the Lord Saints of the most high God. Today's scripture is Psalms 126:1-6; and Job 8:20-22.

My dear Beloved in Christ, the word of God says "He will not cast away the blameless". "Nor will He uphold the evildoers. Yet, He will fill your mouth with laughter and your lips with abounding joy. Those who hate you will be clothed with shame. Also, the dwelling place of the wicked will come to nothing". Rejoice in the Lord! Because, He will surely complete what He has started in your life. He is a master builder. He is working on you. You are in His hands. Your season of weeping and sowing is ending. A season of reaping the sheaves rejoicing is taking place. Welcome the shift that is taking place in the spiritual realm and declare His word by and thereby, make room for it in the physical. The way God

is going to do things will be as if it's a dream. But you will realise its God's doing as He fill your mouth with laughter and your tongue with singing. Therefore, receive His word with great expectation. God bless you.

## **28 January**

Praise the Lord, saints of the most High God. Today's scripture reading is from Deuteronomy 7:9; 1 kings 8:23 and Nehemiah 1:5

Dear Beloved, Love the Lord with all of your heart your mind and your strength. The word of God says that His covenant works for those who Love Him. Therefore, put God first in everything you do. Give him His rightful place. Observe the word of God by living your life in line with Gods word. "Therefore, know the Lord your God, He is God, faithful God, who Keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments. If you Love the Lord, you will keep His commandments. Fill your heart with gratitude and thanksgiving and worship him in spirit and truth to the one whom you love. Talk to him at all times. Pour out your heart in his presence and see what He will do for you. God bless you.

## **29 January**

Praise the Lord children of the most high God. Today's scripture is from Mathew 17:20; and Rom 4:18-21.

The word of God says, that Faith comes by hearing and hearing by the word of God. So, let us walk by faith and not by sight. Let us hold on to the word of God and believe that, He who had promised He is able to perform His word in our lives. Abraham hoped against hope means everything that was contradicting against the word of God, he silenced it by hoping on the word of God by faith (father of nation). He didn't consider his own body dead nor the deadness of Sarah's womb to cause unbelief but strengthen his faith by holding on to Gods promise. Today, overrule every situation or circumstance that is hindering your belief by the promises you have received from God. Don't waver or doubt God's word but trust in him fully. He will do the impossible for you by moving in a supernatural way. Trust in Him fully. God bless you.

## **30 January**

Praise the Lord Saints of the most high God. Today's scripture reading is from 2 Sam 6:14 and John 4:24.

God created us to worship him. It's worship that draws God's attention towards you. So, let us take time just to worship him in spirit and in truth with no petitions or prayer requests but just expressing your love to him. The Bible says "But the hour is coming and now is when true worshippers will worship the Father in spirit and in truth, for the father is seeking such to worship. Our Father in heaven is seeking for such worshippers who can worship Him in spirit and in truth. King David worshipped God with all of His might. The kingly position did not stop him from worshipping the King of Kings and the Lord of Lords. Let nothing stop you from giving Him the worship that is due unto his holy name. Remember, you were born to worship him. God bless you.

## **31 January**

Praise the Lord people of the most high God. Today's scripture is from Psalms 95:6; Exodus 23:25 and Matthew 15:22-28.

God has carried us to the last day of this 1st month in January. For some, it might have been an awesome month. But for others, it would have been rough with ups and downs. But above all this ups and downs, God was in it. he was in control. So, let us give Him our praise and worship. The psalmist says let us worship and bow down. Let us kneel before the Lord our maker. Worshipping God for who He is, attracts him to the worshippers and He comes and dwells in our midst. Jesus told the Canaanite woman, It is not good to take the children's bread and give it to the dogs. But she was insistent and she worshipped Him for who He is. And Jesus couldn't turn her down but heal her daughter for her act of faith. God can never turn you down when you worship him for who He is. Give Him your heart filled worship today. Worship the Lord your God and his blessings will be on your food and water. He will take sickness away from your midst. God bless you.

# **MONTH of FEBRUARY**

## **01 February**

Praise the Lord Saints of the most high God. Today's scripture reading is from Psalms 33:1-3 and Psalms 146:2.

Let us give God praise as we enter into the second month of this year. There is power in your praise. When you praise God, He paves a way of victory. The dead cannot praise the Lord while we are a living being and have life. So let us give him all the praise. Praise is not a feeling, it's a life style. No matter what you are going through or the situation you are in, your praise to the Almighty God lifts you up from where you are to the place to where you should be. Paul and Silas were in Prison after being falsely accused and beaten up. It was not a good place to be in. They knew how to make their way out by praising the one who could bring them out. While some of us would be contemplating on why we were there and debating on why we shouldn't be there. They lifted their voices in a joyful praise. Let's start this new month with joyful praise. God bless you.

## **04 February**

Praise the Lord saints of the most high God. Today's scripture is from Phil 4:4 and 1 Peter 4:12

Beloved! Rejoice in the Lord your God and be joyful in the God of your Salvation. The word of God says, "Beloved do not think it strange concerning the fiery trial which is to try you, as though some strange thing happened to you". But rejoice to the extent that you partake of Christ's suffering. So that when His glory is revealed, you may also be glad with exceeding joy". No matter, what you are going through, your rejoicing in God has the power to pull you out from where you are. Paul said, Rejoice in the Lord always! Again, I say rejoice. He went through a lot of trials but those trials did not destroy him but built him to reflect the image of Christ. So, He could say it's no longer who liveth, but it's Christ who lives in me. He and Christ were not two different people. He became the likeness of Christ. The Scripture says in 1 John 4:17; As He is in this world, So You are. So Rejoice! God bless you.

## **05 February**

Praise the Lord! children of the most High God. Today's scripture is from Psalms 98:1 and Psalms 68:4

This month, God's word for us is – Your praise will pave your way to victory. Are you in a tight place? If so, then praise the Lord. Your praise will bring you out into a broad place. Are you Sad or unhappy? Praise the Lord! Do you need your situation to change? Give Him your praise with a joyful and grateful heart. Sing a new song unto the Lord. Let us make a joyful noise unto the Lord, for the Lord has already done marvellous things. His right hand and His holy arm have gained Him the victory and because of Him you are victorious. Do not let anything distract you and steal your peace, your praise and Joy. Your praise is making a way for you. The way maker will make a way for you as you continually praise Him. God bless you.

## **06 February**

Praise the Lord people of the most high God. Today's scripture reading is from Jeremiah 29:12-13 and Job 5:8-16.

The Lord wants us to call upon him, and pray to him and He will listen to us. The word of God says, "You will seek me and find me, when you search for me with all of your heart". Let us seek Him with all of our hearts. And let us commit our cause to Him just like Job who knew and declared that our God does great things and unsearchable marvellous things without number. He gives rain on the earth and sends water on the fields. He sets on high those who are lowly. And those who mourn are lifted to safety. He frustrates the devices of the crafty. So that their hands cannot carry out their plans. He catches the wise in their own craftiness. And the counsel of the cunning comes quickly upon them. They meet with darkness in the daytime. And grope at noon time as in the night. But He saves the needy from the mouth of the mighty, and protects them from their hand. So the poor have hope, and injustice shuts her mouth. God's word is true whatever is fighting against you is already defeated. God bless you.

## **07 February**

Praise the Lord Saints of the most high God. Today's scripture readings are from Col 3:15; James 3:18 and Phil 4:7.

Peace I leave with you, My Peace I give unto you, not as the Peace of this world. Let us not worry. God says in John 14:27, "Let not your hearts be troubled, neither let it be afraid" . He has left us with His Peace. He has given us His Peace. So we should not lose our peace. No matter how disturbing things look like and how depressing the situation might be. God's peace has the power to guard our hearts and minds from the lies and deception of the evil one. Let the PEACE of God rule on your hearts. God has called you called in one body by giving us his Peace. So let us be thankful. Be at Peace. God is at work.

## **08 February**

Praise the Lord children of the most high God. Today's scripture reading is from Rom 8:25; Rom 12:12; 2 Pet 3:9 and Isaiah 30:18.

Wait on the Lord. Be of good courage, I say wait on the Lord. Sometimes, God makes us wait for things. It may take a while for God's promises to come to pass. Because He wants us to be patient or develop patience. The word of God says, "But if we hope for what we do not see, we eagerly wait for it with patience." So we should be waiting and rejoicing knowing that our waiting on the Lord shall not go in vain as Gods word says blessed are all those who wait for Him. When we wait on God, it means to trust in Him Fully and completely. God's hand is not slackened or shortened to fulfil His promises. Instead he is patient towards us and doesn't want any of His children to perish. So WAIT on the Lord. He is coming through for you. God bless you.

## **09 February**

Praise the Lord people of the most high God. Today scripture reading is from Revelation 5:5; Judges 1:1-2 and 2 Chr 20:21-22.

Your Praise has paved the way to victory. God has given you victory over everything that has been waging war against your life, your marriage, your finances, and your career and over everything that is stealing your joy and your Peace. There is power in your praise. You can use Praise as a tool against the enemy to loose and open every seal that the enemy has sealed in you life. Praise sets you free and lifts you to higher place and takes you to a place where the enemy cannot have any access to you. Giving Praise to God, puts you on to an unstoppable journey of victory. Therefore, Give your God the highest praise and walk in victory. God bless you.

## **12 February**

Praise the Lord, saints of the most high God. Today's scripture reading is from Psalms 68:28 and Exodus 3:14 and 20-22.

Everything that you are in or facing, the 'Great I AM' is with you. Introduce 'I AM WHO I AM' to your situation or circumstance or to the demons like Moses did in Egypt to Pharaoh and God will display His power. The power of the great I AM which He has used on our behalf. God told Moses, "I Will stretch out my hand and strike Egypt with all my wonders which I will do in its midst and after that he will let you go". Whatever is holding you and not allowing you to progress forward will let you go. Therefore, Sickness has to go. Pain has to go. Sorrow and depression has to go. Likewise, every demonic oppression has to go. It cannot hold you back. God has given you victory over every situation and circumstance over everything. What has been waging war against you has already been defeated. You are an overcomer in Christ. God bless you.

## **13 February**

Praise the Lord children of the most high God. Today's scripture is from 1 John 5:4; 1 Cor 15:57 and John 16:33.

Let us give thanks to the Lord our God who has given us victory over all things through Jesus Christ. In Him, we are more than Conquerors. This is your season to overcome everything and conquer everything because of the greater one who lives inside of you. The Bible says that everyone born of God overcomes the world. The moment you accept Jesus as your saviour you are already an overcomer. This is the victory that has overcome the world even our faith. So when you are born into Christ, you are a born winner. Do not let anybody to tell who you are or determine who you are. Neither allow situation or circumstances to dictate to you. You know that you are a chosen generation, a royal priesthood, a holy nation and God's special possession. So declare praises to him who called you. You shall do exploits for the Lord. Be strong in the Lord. You are coming out triumphantly. God bless you.

## **14 February**

Praise the Lord children of the most High God. Today's scripture is from Deuteronomy 20:4 and Joshua 10:8.

Nothing can stand against you. Everything that is waging war with you at your work place, in your marriage, children's life, your body and Finances is defeated already. The Lord said to Joshua, "Do not be afraid of them, I have given them unto your hand. Not one of them will be able to withstand you". He has given you victory over every stubborn problem. For the Lord your God is the one who goes with you. And he will fight for you against your enemies to give you victory. I declare victory over everything that is hindering your destiny. I believe you will experience Gods mighty hand and outstretched arm in your life. It will make a way for you where there seems to be no way. God is working out something that no man can work out for you. God bless you.

## **15 February**

Praise the Lord Saints of the most High God. Today's scripture reading is from Habakkuk 2:2 and Jeremiah 1:9-12.

Beloved as you are giving God the highest praise and worship that is due unto His Holy name, you will see every stronghold being loosened and every crooked path being made straight in Jesus name. God has put words in your mouth. So declare His words of victory over your marriage, over that sickness, stubborn problems, finances, the visions and prophesies. God put words in Jeremiah's mouth and asked him to speak it without any fear. He also asked him what he could see. When Jeremiah told the Lord what He saw, the Lord told him that he saw well. God wants you to speak to your situation next. He wants you to see what you have been speaking. He wants you to visualise what you been praying to happen. The Lord says your declaration and your vision should be in line with my word. I'm watching over my word to perform it. God's waiting for the alignment so He can perform what He has spoken. The vision is for an appointed time. Though it tarries wait for it. Because it will surely come. It will not tarry. God bless you.

## **18 February**

Praise the Lord Children of the most high God. Today's scripture reading is from Psalms 126:1-3; and Psalms 118:23

Today's message is about a 'WOW moment'. God is talking about unexpected things that are going to happen in your life the next 15 days. Each day, you have God surprises in store for you. God is doing things that you have not expected or thought about. Just like the people of Israel were brought out of their captivity and returned to Zion, God has liberated you from everything that has been

hindering and blocking you. He has filled your mouth with laughter and your tongue with singing. Rejoice in the Lord. Give Him your praise and your dance of Victory. The enemy cannot hold you from receiving your breakthrough and your blessings. Rehearse your testimony, “The Lord has done great things for us and we are glad”. You will gather your sheaves rejoicing. God bless you.

## **19 February**

Praise the Lord People of the most high God. Today’s scripture reading is from Exodus 15:11 and Exodus 34:10.

Our God is glorious in holiness. He is Fearful in praises and is doing wonders. There is no God like ours. He is doing things for you that your mind cannot comprehend. While you are resting on His word He is working out things for you and making your lines to fall in pleasant places. In the book of Exodus 34:10, it says, “Behold I make a covenant before all your people. I will do marvels such as have not been done in all the earth, nor in any nations, and all the people among whom you are shall see the work of the Lord. For it is an awesome thing I will do with you. Cooperate with God for what He is about to do with you and experience His awesome wonders. God bless you.

## **20 February**

Praise the Lord, saints of the most high God. Today’s scripture is from Psalms 90:14 and 2 Kings 7:2.

Wake up every morning to the expectation that God has heard your prayers and that He has answered prayers. God will then surprise you with His move. The Psalmist says, “Surprise us with Love at day break then we’ll skip and dance all the day. (Psalm 90:14; MSG). God has many surprises in store for you but He is looking at your expectations. The man of God said, “Tomorrow about this time-two seahs of barley for a shekel will be sold at the gate of Samaria”. The officer who heard the prophecy, made a choice not to believe, so he was not a partaker of the turnaround. Be a partaker of what God has spoken and experience God’s unexpected blessing over your life. God bless you.

## **21 February**

Praise the Lord Saints of the most High God. Today’s scripture is from Psalms 66.

Let us make a joyful shout to God and sing praises to His glorious name. Oh! Bless our God, you peoples and make the voice of His praise to be heard. For He keeps our souls among the living and does not allow our foot to be moved. The Lord has moved on our behalf and did wondrous works for us. He has not turned away our prayers but certainly God has heard us. You shall testify “Come and see the works of God. He is awesome in his doing towards the sons of God. And you will say, Come and see what the Lord Has done for me. God bless you.

## **22 February**

Praise the Lord Children of the most High God. Today’s scripture reading is from Jer 30:19-20 and Job 8:20-22.

“Behold God will not cast away the blameless, nor will He uphold the evildoers. He will yet fill your mouth with laughing. And your lips with rejoicing. Those who hate you will be clothed with shame. And the dwelling place of the wicked will come to nothing.” God will fill your mouth with Laughter and your lips with rejoicing. God will pay you double for your trouble. Out of your mouth shall proceed thanksgiving and merriment? You will have a testimony to glorify the marvellous and glorious works of the Lord. God is faithful to fulfil everything that He has spoken. It’s time to see God fulfil what He has spoken. You shall see His performance as you hold on and rest on His word. God bless you.

## **25 February**

Praise the Lord People of the most high God. Today’s scripture is from Psalms 27:14; Psalms 130:5-6

I urge you my beloved to spend quality time in the presence of God in the spirit. Just wait in His presence and be not anxious fretting or with a prayer list. But just have a hunger and thirst to soak in His presence and desire Him and His glory. For in His presence there is fullness of Joy and there are pleasures at His right hand for evermore. Stay in His presence to hear His voice and to seek His will and to know what He wants from you. The psalmist says, “I wait for the Lord, My soul waits, And in His word I do hope. My soul waits for the Lord more than those who watch for the morning. Yes more than those who watch for the morning” This strengthens your spirit man, gives you a deeper revelation of God and His purpose in your life. God bless you.

## **26 February**

Praise the Lord Children of the most high God. Today's Scripture reading is from Genesis:32:22-32.

Have you been desiring a God moment in your life just like Jacob did? Jacob was tired with a lot of things that he had been going through and He knew that this could not be sorted by anybody except by God. So He decided to send all his servants, wives and children to cross over the ford of Jabbok and he secluded himself to have a God moment. Today you need to seclude yourself from the crowd and the voices you are hearing to a place where you can hear Him alone. Jacob met with God and wrestled with God with the promises that He received from God and said, He will not let go until God blesses him. God just did not bless him but also changed his name. Have a God moment and see God change and transform your life. God bless you.

## **27 February**

Praise the Lord, people of the most high God. Today's scripture reading is from Genesis 18:1-15.

We continue to rest on a God moment. God moment is a life changing moment. Abraham had a prophesy from God and 25 years have passed. He also took some shortcuts but did not find anything working out until he had a God moment at the terebinth trees of Mamre. His spirit was so alert that He knew that He was meeting with God. He acknowledged God's presence and laid at His feet the best he had not focusing on what he wanted but who God is. Today God wants only your praise, love and your worship. God reminded Abraham that he would have what He promised in God's appointed time and there is nothing too hard for him. Get ready for your God moment. Remember to love on Him when you meet with Him and He will fulfil all that you need. God bless you.

## **28 February**

Praise the Lord, people of the most high God. Today's scripture is from Exodus 3:1-22. As we are in the last day of the month of February, take time to thank God for this month by giving him a sacrifice of praise and worship. Bless the Lord with all of your heart mind and your strength.

Have your God moment on the last day. Just like Moses did at the burning bush. Moses met with God and He was directed to his purpose and plan. God told him

that he was chosen by God to deliver the people of Israel from Egypt. The burning bush experience changed Moses' life and perspective of who He is and whose He is. Today you may not be aware of God's purpose and His plan in your life and you may be seeking God for directions for yourself or your loved one. Get into his presence and have your God moment with him. Make a deal and sign a contract with God as your partner. Like Moses did and put an end to your wilderness. God bless you.

# MONTH of MARCH

## 01 March

Praise the Lord children of the most High God. Today's scripture is James 4:8 & Hebrew 4:16.

We have entered into the 3rd month of this year. We will see the power of the Trinitarian God displayed in this month as we develop an intimate relationship with God. Let us draw nigh unto Him that He may draw nigh unto us. Let us abide in him that He may abide in us. Let us desire Him more than what we need from Him. An intimate relationship with God gives us boldness because it makes us know who He is and who we are in him. Esther told her uncle that she cannot break protocol and go before the king when she was not summoned but when she gave a called for a fast for three days she became bold and approached the King and obtained favour. Today you and I can come to the throne of grace boldly and obtain mercy and help in time of need because of who we are and whose we are. This month spend quality time with God and develop an intimate relationship with God . Your life is not going to be the same. God bless you.

## 04 March

Praise the Lord, people of the most high God. Today's scripture is Psalms 31:20; Psalms 32:7; Psalms 91:1.

Dwelling in the presence of the most high God shall become your life style. May you have intimate moments with God where He will reveal to you great things that He has in store for you. "You shall hide them in the secret place of your presence from the plots of man; You shall keep them secretly in a pavilion, from the strife of tongues." In the secret place of God, there is protection. Don't be a visitor, be a person to live in His presence and enjoy the glory of God. Moses spent time in the presence of God in the glory of God. His face was shining that people could not see or withstand the Glory. Sickness could not come near to the patriarchs because of their intimacy with God. They gave up the Ghost but nothing could take their life. God wants you to enjoy that glory by dwelling in his presence. God bless you.

## 05 March

Praise the Lord, Sons of the most high God. Today's scripture is Psalms 63:1-11, Psalms 42:1-2, Deuteronomy 6:5

“Beloved you shall love the Lord your God with all of your heart, with all your soul, and with all your strength. Your soul shall thirst for the living God. Your desire for being with God shall increase more and more”. David longed for God he worshipped God at all times continually. He had an earthly father who never remembered him. He had brothers who never understood him a king whom he helped who wanted to kill him but a God who was always with him because he was with God. He carried God's presence in him. God fought his battles and lifted him from a shepherd boy to be the king. This is what intimacy with God could do. He exalted his horn like the horn of a unicorn. Desire him and he will exalt you into places you never dreamed. When you call he will answer you. He listens to your communion. He is a God who hears. He knows who calls on him. Your relationship with him matters a lot. God bless you.

## **06 March**

Praise the Lord saints of the most high God. Today's scripture reading is from 1 Cor 1:9; and Gen 3:8.

Beloved, God made you and me in His own likeness and image because he wants to fellowship and commune with us on daily basis. The Lord God, walked with Adam in the cool of the day. Likewise, God is with us and He wants to involve Himself in everything we do because He takes pleasure in us. God is a faithful God by whom we were called into the fellowship of his son Jesus Christ our Lord. God wants us to discuss things with him. He is a God who is near. He is not a God afar off. He sticks to us closer than an earthly brother. He knows about everything that is going on in our mind. Pour out your heart to him. With our God, we shall do valiantly and always be victorious. Acknowledge Him every moment and He will direct your path. Experience the power of the three in one – God Almighty. God bless you.

## **07 March**

Praise the Lord Saints of the most high God. Today's scripture reading is 2Samuel 6; Psalms 18:1-3.

David's love for God made him know God as his strength, rock, fortress and deliverer. David's revelation and knowledge of God strengthened his trust and faith in God. David loved God so deeply that when he erred he quickly ran to God

for forgiveness because he did not want to miss out on having an intimate relationship with God. He knew how to please his God. Becoming a King, did not stop him from worshipping his God. There were worshippers and musicians and Levites to worship God as their ritual duty. However to David it did not matter. He had to offer God his praise and his worship. Because, David knew who God was to Him and what He means to him. All other things that surrounded him were like shadows in the light in the presence of God. To David, even his wife despising didn't matter because he knew that God's always with him and was worthy of his worship. Is your relationship like this with God? Do you sing your love songs to the lover of your soul? Does your soul always long for His presence or is it like a routine or religion with no meaningful devotion. Beloved, He is longing to commune with you. Get into His presence. God bless you.

## **08 March**

Praise the Lord, saints of the most high God. Today's scripture reading is from 2 Peter1:2-4; 2 Peter3:18.

Let your desire to know God more increase in your life. In order to have a deeper knowledge of God you need to spend more time in His word. The word of God gives us deeper revelation of who God is and what He is to us and who we are to Him. The more you know him and have a knowledge of him, grace and peace are multiplied in your life. All things pertaining to life and godliness are given to us through the knowledge of Him who called us by glory and virtue. Just confessing the word of God or promises without knowing the giver and sustainer of life will do no good. But developing a relationship with Him will make you have all things. And we know that all things are from him and belong to him. God bless you.

## **11 March**

Praise the Lord people of the most high God. Today's scripture is from Luke 10:38-42; Psalms 46:10.

Gods wants you to know him more and more. The more you desire to know Him. The more He desires to reveal himself to you more and more. Get into His presence to meet with him like Mary who sat at the feet of Jesus and listened to Him. Jesus said that what she choose to do is good and it's for her advantage. Your relationship with Him will build you up to know who He is and helps you to trust Him with your life and everything concerning you and your house hold. He knows everything about you. He wants to tell you His next move for you.

When you know who He is and what he can do you will be still and know that He is God. You will not worry, not be anxious and without stress because you know who you have trusted. He will never let you down. God bless you.

## **12 March**

Praise the Lord saints of the most high God. Today's scripture is from Jeremiah 9:23-24.

Let not the wise man glory in his wisdom. Let not the mighty man glory in his might. Nor let the rich man glory in his riches. But let him who glories, glory in this – That he understands and knows me, that I am the Lord, exercising loving kindness, judgement and righteousness in the earth. For in these, I delight – says the Lord. God wants me and you to boast in him that we know him and that we understand Him. let us acknowledge that He is Lord over everything and He is in control over every situation and circumstance. The wisdom we have or riches and strength we have all come through knowing Him. For all things are from Him and unto him. Nothing can be yours if He didn't give it to you. If He opens His fist, you are satisfied. Have quality time with Him. Take your relationship to another level with Him. Make Him the anchor of your soul. He will never fail you. He is always faithful. God bless you.

## **13 March**

Praise the Lord saints of the most high God. Today's scripture reading is taken from Phil 3:7-10.

Everything that Paul gained, he counted all things as loss for the excellence of the Knowledge of Christ Jesus. He says, he suffered the loss of all things and count them as rubbish that he may gain Christ. He considered Knowing Christ and having a relationship with him as more important to any other thing in the world. Today, that should be our priority as well. When we know our God we will be able to trust him in all things and for all things pertaining to our life. You cannot be the one to know God and spend time with him and have a love relationship with him and he not answer you when you call or not work for you while you wait or not heal you or deliver you. Jesus showed up in Lazarus house and demonstrated that he was resurrection and life by raising Lazarus from the dead. That was their relationship with him. They expected him to come when their brother Lazarus was sick because they knew Him as their friend and He knew them too. So He showed up 4 days later but gave them His astounding

performance – the Resurrection and life. He wants to do the same for you as you gain and grow in Christ. God bless you.

## **14 March**

Praise the Lord children of the most high God. Today's scripture is from Ephesians 1:17-23;

Paul's earnest desire for us is to have the knowledge of God so that we have the wisdom and revelation that comes through the spirit of God. The more you seek Him, the more you will find Him and He will make himself known to you in ways you have never experienced Him in your life. God takes us through different seasons in our life because He wants you to know Him as your provider, protector, counsellor etc.,. He wants your eyes of understanding to open up so that you will be enlightened. That you may know what is the hope of his calling, what are the riches of the glory of His inheritance in the saints and to know the exceeding greatness of His power towards us who believe. The same mighty power that raised Jesus from the dead is working in us and for us to those who believe. When you know Him you also know His mighty power that can do mighty things for you. Get to know Him more and more and experience His might and resurrection power in your life. God bless you.

## **15 March**

Praise the Lord saints of the most high God. Today's scripture reading is from Exodus 19:17 & Psalms 59:10.

Moses brought the people of God out side the camp to meet with God at the foot of the mountain. God wants to meet with us and He wants to talk to us and tell us everything that we want to know and even about things we are not aware of, He wants to reveal it to us. He wants you to meet with Him every moment to built up an intimate relation ship with him so that every time you meet with Him you get to know him more and more. You will pour out your heart to him and you will not have any secrets. God knows everything about you even though you think you did not share it with Him. Meeting with God transforms your life and makes you a total different person. He changes your thoughts towards yourself and towards other people. It removes the judgemental spirit and makes you to think like how God would think and look at everything with an eye of God. Peace in you. Joy within you and love overflowing through you. It's no longer you that live, but Christ who lives in you. God bless you.

## 18 March

Praise the Lord saints of the most high God. Today's scripture reading is from Luke 5:2-11&John 4:16-42;

Divine interference in intimacy. You cannot be having an intimate relationship with God and living your life however you want. Peter and the disciples were busy washing the nets. Jesus asked Peter if he could use his boat and started preaching to them. Then he asked them to put down their nets which they did reluctantly and caught a big catch. First he got into Peter's boat then into his business then into his personal life. Peter said get away from me Lord in other words leave me alone Lord for I am a sinner. Jesus came for the lost. He told them to follow Him and they did. Divine interference. The same with the Samaritan woman she tried to impress Jesus about the knowledge she had about the Jews but Jesus interfered in her personal life and brought her to her point where she proclaimed she met with the messiah and brought the whole village to Christ. God is going to interfere with some personal stuff in your life and you'll have to get rid of some stuff that you have hidden and thinking it's a secret. To God your life is an open book. He knows all about you. He wants you to be like Him so that you can enjoy His glory and be walking in His victory that He has given you that births from intimacy with Him. God bless you.

## 19 March

Praise the Lord people of the most high God. Today's scripture is reading John 5:1-11. God wants to be a part of everything in our life even if we think it's not necessary or important and want to live our lives as if we know better. God doesn't set back but He comes into everything He thinks He needs to be involved in because of His unconditional love towards His people. He wants to make many know that He exists irrespective of their acknowledgement. He still remains God. We are all in for divine interference in areas we have become too comfortable and made our comfort zone. God is stirring up your comfort zone to bring about a change for your own good. This man became very comfortable where he was and also started complaining and blaming when there was something that he had to do. Jesus came into the scene spoke the word but the man had to do the rising up take his bed and walk. Jesus had to come in for this man to receive his healing. Open your life to God. Let Him interfere in your life so that you can be a better person. Let there be divine interference in the lives of your loved ones so that you can see change. Divine interference brings about change for good. Let God interfere. God bless you.

## 20 March

Praise the Lord people of the most high God. Today's scripture reading is from Jer31:34 & Ezek34:12;

Gods desire for His people is for them to have a good and a victorious life. He also knows that the enemy always wants to keep His creation in the dark and not allow them to know Him. But Christ is busy shedding light to the ones who are in His plan and He is busy revealing himself in one way or the other. He will enter into lives in one way or the other. The Bible says "no more shall every man teach his neighbour, and every man his brother saying, 'know the Lord' for they all shall know me from the least of them to the greatest of them says the Lord. For I will forgive their iniquity, and their sins I will remember no more" However busy your life maybe give Him your time and make room for Him. He made you and me to have fellowship with Him so that He can keep us informed about everything He is done for us. He is a God with several dimension. You know only a little He wants to show you more of himself. Spend time with Him alone. God bless you.

## 21 March

Praise the Lord People of the most high God. Today's scripture is from 1kings17:1; 1kings18:1;

Daniel11:32b; Those who know they God they shall be strong and they shall do great exploits for the Lord. When you spend ample and immense time with God you don't panic but you are stable and strong on the one you built your life You don't know about him you know him. Knowing about him is knowing him through someone else's relationship but to know him is based on your relationship with Him. Elijah had that connection with God so he could shut down heavens by his word and he opened heavens by his word. In James5:17 it says that Elijah was a man with a nature like ours and he prayed (talked to God)intimacy makes you bold and strong & declare things because you know the one who knows the end from the beginning and from whom are all things and unto Him are all things. Have that blessed connection with Him and see the power flow through you. God bless you.,

## 22 March

Praise the Lord Saints of the most high God. Today's scripture is Isaiah58:11; Gen41:37-44:

Knowing God and having an intimate relationship with Him can lead you to sure success. What is sure success? Knowing the will of God and walking in it in obedience leads to sure success. You don't chase money or people to be successful. You have a relationship with God and He gives you revelation knowledge, fills you with God given ideas, shows you His will and it leads to good success. We can see this being demonstrated in Joseph's life. Your relationship with God will make God guide you continually and satisfy your soul in drought and strengthen your bones and you will be like a watered garden and like a spring of water whose waters do not fail. Jesus is the living waters and He never fails. God bless you.

## **25 March**

Praise the Lord children of the most high God. Today's scripture is Genesis 12:1-4; Isaiah 41:8;

God referred to Abraham as a friend of God in three times in the Bible. John 15:12-15; Jesus said you are my friends if you obey my commands you are no longer servants. For a master doesn't reveal his business to his servants but I will make everything know to you that my father has revealed to me. To be God's friend you need to be spending time with him and hanging out with him. Friendship doesn't come through acquaintance it comes through intimacy. God called Abraham and told him to leave his kindred his father's house and go to place which he didn't know and he was ready and the bible records that Abraham departed. He trusted God and moved on God's word. Today do you trust God for everything in your life and ready to do what God is telling you to do without backing off. Jesus said you are my friends I lay down my life for you. What are you ready to sacrifice? Jonathan gave his Kingship to his friend David because He understood God's plan more than his father. When you walk in intimacy with God all other things becomes less important and Jesus becomes the centre of everything. When Jesus is your priority all other things are forcing the way towards you. God bless you.

## **26 March**

Praise the Lord people of the most high God. Genesis 12:1-4 & Genesis 22: 1-18;

Real friendship cost. Would you ever think that being called a friend of God cost you your son. You would always think because I'm a friend of God I will have all the best things and wonderful things happen to me; yes you would but also with

this will come tests and trials to check your love and your relationship for God is it growing deeper and deeper and stronger and stronger. Nothing can separate us from the love of Christ. No height, no depth, no width or breath. When Abraham passed the test He came to know his God as Jehovah Jireh. God also blessed Abraham by saying "In blessing I will bless you, and multiplying I will multiply your descendants as the stars of the heavens and as the sands which is on the seashore "You may also be in a test. God will bring you out victoriously. Don't turn back press in, press on and press through. God bless you.

## **27 March**

Praise the Lord people of the most high God. Today's scripture reading is from James2:23; Gen14:21-23;"

And the scripture was fulfilled which says" Abraham believed God and it was accounted to him for righteousness" And he was called the friend of God" Trusting God even when things don't look as pleasant as it should or when things are becoming verse is proving to us how much do we really know Him . Abraham believed God and trusted in Him fully so it was accredited to him for righteousness and he was known as a friend of God. Abraham separated himself from Godless crowd he took nothing from the king of Sodom. He chose the place that had nothing to do with Sodom and Gomorrah. We cannot be a friend of God and a friend of this world. We are in the world but we are not of the world. Hold on to Him that sticks closer than any brother He is with us always. God bless you.

## **28 March**

Praise the Lord people of the most high God Today's scripture reading is from Amos3:3; Exodus 33:13-23.

The Lord spoke to Moses face to face, as a man speaks to his friend. Moses spent a lot of time with God and also wanted to see God face .Moses said to God if your presence doesn't go with us we are going nowhere. Moses wanted to be separate from all the people who are upon the face of the earth and this could be by God's presence with them. Today we are a privilege people God dwells in the midst of His people. God dwells inside of us. Our body is His temple. Jesus Christ our way maker tore the veil and through His sacrifice we enter the throne of grace boldly. God wants to fellowship with us and he wants us to walk with him in agreement so He can do wonders through us. You are a wonder. God bless you.

## 29 March

Praise the Lord children of the most high God. Today's scripture reading is from Luke :9:29; 2 Cor3:18.

We are almost coming to the end of this month. The month of March is about walking into victory through your intimate relationship with your God. Your desire not to be a visitor but to dwell in His presence by carrying His presence where ever you go. The time spent with God in reading His word and meditating on His word has the power to bring change in your life. Jesus was communing with his father and the appearance of his face was altered and his robes became white and glistening. When we give ourselves to spending time in His presence our mind body and soul will be transformed no longer will we be slaves of fear or victims to defeat or bound under sickness or poverty. But we will carry His glory and walk in victory. Your time with God is never a waste .far better He gives you revelation for your next move. He makes you bold and gives you sure success in everything you put your hands too. Spend time with God. Are you a F.O.G - Friend of God? He calls you friend. He wants your time so he can tell you stuff about yourself. God bless you.
