

HOUSE OF PRAYER's QUARTERLY DEVOTIONALS

MONTH of JULY –AUGUST – SEPTEMBER 2019

- *Pastor Colleen Samuel*

MONTH of JULY

01 July

Praise the Lord Saints of the most high God. Today's scripture is from 1 Pet4:14; Luke21:17 & Mathew19:29;

Beloved, love the things that your father loves. Put your fathers business at the centre and heart of everything. Let your interest & passion be to expand and extend the kingdom of God. Let it be your life style of shining your light as a city on a hill. May you be a light house directing and pointing people to Christ. The devil loves to divert peoples focus and attention onto themselves, they interest and their needs while Gods word says seek the kingdom of God and its righteousness and all these things shall be added onto you. Lord how can I promote your business and make know this gospel of truth? Many have been deceived by the Gods of this world and through false and deceptive spirits even the elect. No longer in certain churches there is an alter call or an outreach to reach out to the lost but its all about people being blessed and being rich. Beloved of what use it is if you win the whole world and lose your soul. Christ wants to be glorified in your life by you bearing the marks of being reviled and persecuted for His name sake .Your reward in heaven shall be great. God bless you.

02 July

Praise the Lord People of the most high God. Today's scripture is Luke15:1-31. Beloved reach the lost at any cost. Jesus told these parables to the people to make them aware that each of these people lost something that was so precious to them that they went in search of it like the Shepherd had 99 sheep left but he still went looking for the one. The woman swept the whole house until she found the lost coin and the father looked with great anticipation awaiting his sons return. The Lord Jesus the Saviour of the entire world came to save the lost mankind. Today we cannot be just watching people being lost. We need to pray for the lost that they hearts will be softened and the scales of their eyes will fall off and God will give them understanding to know the truth and the truth will set them free. Somebody prayed for us with a burden and today we are born again and we are walking in Gods true light. Somebody took time to share Jesus with us. Don't you think that we should make time to reach out to the lost? This is what Jesus did and if we are His we should also do the same. God bless you.

03 July

Praise the Lord Saints of the most high God. Today's scripture is from Luke15:11-24:Prov23:18;

Beloved the word of God says "There is surely a future hope for you and your hope shall not be cut off". It also says the expectations of the righteous result in joy, but the hopes of the wicked will perish. This month, the 7th month is a month of perfection and completion. To see this come to pass you need to be expectant. Not only to believe but also ready to receive. That father looked forward to his sons return each and every day, that his son will surely return and that this day would be the day. What are you expecting from God? Is your prayer, your belief on the word of God and your confession in line or our words of your mouth undoing what you are confessing? Let it not remain as an unfulfilled dream. Cooperate with God to see the prodigals come back home. Pray for visions and dreams to be fulfilled. There is hope for dry bones there is hope for your situation. Dont give up. God bless you.

04 July

Praise the Lord people of the most high God. Today's scripture is Luke 9:57-61&Mark8:34-36;

“Take up your cross and follow Me” means being willing to die in order to follow Jesus. This is called “dying to self.” It's a call to absolute surrender. After each time Jesus commanded cross bearing, He said, “For whoever wants to save his life will lose it, but whoever loses his life for me will save it. What good is it for a man to gain the whole world, and yet lose or forfeit his very self?” Although the call is tough, the reward is matchless. Today people seem willing to follow Jesus for their own benefits with no commitment. Have a burden for the things of God. GBY

05 July

Praise the Lord children of the most high God. Today's scripture is from Matthew 21:12-17; 1 Cor 6:19-20;

In the Bible we see Jesus cleaning the house of God because the people were misusing His house for their own business and making their own gain. They used it as a trade centre. Today the house of God as become like a social club or a place of entertainment were people come into church and are greeted at the entrance

with a hot or a cold drink and they worship God sipping their drinks. There is a cleansing taking place in the body of Christ as it is spoken in Malachi 3:1-3. The church has to get back to a place of fasting and prayer. The house of God is a house of prayer for all nations not a den for thieves. Jesus is also concerned about your body which is the temple of the Holy Spirit. He said "Be holy for I am Holy." Above all else, guard your heart for everything you do flows from it. God bless you.

06 July

Praise the Lord people of the most high God. Today's scripture is 1 Peter 3:15 & 2 Cor 5:20; Seek the Lost at any cost. Jesus told Peter "I will make you fishers of men" We have a big catch awaiting us. We need to go into the highways and the byways proclaiming this Gospel of truth far and wide. People shall know the truth and the truth shall set them free. 1 Peter 3:15 "But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who ask you to give the reason for the hope that you have. But do this with gentleness and respect" The harvest is plenty and the labourers are few. Come and work in the vineyard of the Lord. Venue: Barclays bank. Time : 4pm Day; 6/7/19; To declare victory over viles of the enemy. Put on the armour of God Praying in the Holy Ghost. The Kingdom of God suffereth violence. The violent shall take it by force. God bless you.

08 July

Praise the Lord Saints of the most high God. Scripture reading is from Psalms 138:8; Phil 1:6 & Psalms: 57:2;

Beloved we are in the 7th month of this year. We have successfully completed half of this year by His grace and mercy. This month of perfection, completion and rest. God is concerned about His purpose in your life. The Lord will fulfill his purpose for me; your steadfast love, O Lord, endures forever. Do not forsake the work of your hands. While we want to see God fulfil what we want He is concerned about the plan and purposes He has for our life. Focus on Him and let your prayer be "Lord my life is yours what do you want me to do for you and your Kingdom" I am your servant How can I serve you "Be sensitive to His voice" Before doing anything for him or for the kingdom, take time to ask him if that's what He wants or is that the way He wants it to be done. "BREAK ROUTINE". Don't do things because you did it last week and it worked but do it if God is in it. Don't do it because you did it last year and it was great. Ask God what He

wants not what you like doing or you are comfortable with. God has begun a good work in your life and will complete it not your way His way. God bless you.

09 July

Praise the Lord people of the most high God. Today's scripture is from Luke 6:1-5; Luke13:10-17;

The people in those days during the time of Jesus wanted to do what there were comfortable at and with but Jesus came to do His fathers will and set people free. He came to the synagogue and read Isaiah61:1-3;He straight away looked at the woman with the infirmity for 18years and said "woman thou art loosed" He introduced change by doing a new thing on the Sabbath day by breaking the tradition of religion. Sometimes we are accustomed to doing the same thing again and again and expecting different results. The danger could be that we could lose focus and purpose. We need to be sensitive to the Holy Spirit and yield to Him at all times to hear and follow His instructions. Jesus always moved and did things in a different way. Sometimes it looked as if He was doing away with the law but it wasn't. He was doing the will of His father. God wants to set you free from routine and habits that are not in line with Gods Spirit. Spend time with God to hear Him. He wants to bring change in your life if you allow Him to do so. Open up to Him and let the King of Glory come and invade your heart. Make room for Him. Its not what people want its what God wants. God bless you.

10 July

Praise the Lord Saints of the most high God. Today's scripture Mark16:15,20 &Isaiah45:1-3;The above scriptures gives us an account of the disciples of Jesus Christ working together in Gods project. One of the greatest benefits of partnering with God is supernatural breakthrough. Abraham partnered with God and became the greatest human being in the history of mankind. Joseph also partnered with God and became the prime minister in a foreign land. Partnering with God guarantees supernatural breakthrough. It clears barriers. Isaiah43:1-3 talks about Cyrus who partnered with God. Today I urge you to be in partnership with God by working together with Him in expanding and extending the Kingdom of God. Your Labour in working in his kingdom and promoting His work will never go in vain. It will flow from generation to generation. Promote your Father's business. God bless you.

11 July

Praise the Lord People of the most high God. Today's scripture is from Jeremiah:29:11;

Esther shared God's vision when she was called to approach King Xerxes on behalf of the Jewish people. In Esther 4:14, Mordecai suggests that perhaps she has, "come into royal position for such a time as this." Esther was afraid and unsure but she still stepped up and accepted God's vision for her life. At great personal risk, she met the need before her. What if Esther convinced herself she was not worthy of the task, or refused to carry it out for fear of the consequences? Think of the glory that would not have been brought to God. Let us take each moment, each situation, and each relationship and ask ourselves: Am I seeing this with God's eyes. Is Gods vision my vision or Am I totally on a different page. Joseph understood Gods dream and purpose of him being in Egypt. It wasn't a coincidence. Do you Know Gods purpose for you to be in that job, in that place, house, church, environment etc Are you fulfilling Gods vision? Give it a thought. God bless you.

12 July

Praise the Lord Children of the most high God. Today's scripture is from 1Chr13:1-14. GETTING USE TO GOD.

A) When you are around something for a long time you can get used to it.

B) When you get use to something you do not fear it like you once did.

Job 28:28 And unto man he said, Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding.

1. We have gotten use to our bible
2. We have gotten use to our church
3. We have gotten use to the Holy Ghost

Pr 1:7 The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction.

C) When you get use to something you think you can control it and you begin to do things your way instead of God's way. Your relationship with God turns from Personal to Casual. The Levites had to carry the ark of God on their shoulders but they substituted it for a new cart driven by oxen. They played music and shouted but God was not in it. They were not supposed to touch or look into the ark but they held it casually and the wrath of God came upon them. Rev 3:14-22. God doesn't want us to be casual or luke warm. He wants us to be on fire for Him. If you are in love with JESUS, the things related with

Him and the Kingdom of God will matter to you more than all other things. Get Fired up for God. God bless you..

15 July

Praise the Lord people of the most high God. Today's scripture reading is from Psalms 46:10 & Mathew 8:23-27

This month is a month of completion and perfection where God will perfect all things concerning our lives. We are in a season of transition and we are making a transit from the natural to the supernatural. We are in the process and we need to embrace the period of transition so that when things come our way we will not resist the change but embrace the transition so that we don't block the supernatural. God wants us to get ready to experience the supernatural. Like He did with the disciples. He told them "Let us cross to the other side" and took them on a boat trip where they encountered with a boisterous storm a raging wind and the water lashing in. This created fear in their hearts even though Jesus was in their boat. The same applies to us as well .We look at the things that come our way and fear and anxiety grips us and then fear comes in faith goes out. We forget God words, Gods promises and our focus has shifted to what we see and hear. Jesus woke up He didn't look at the effects of the storm. He just calmed the storm by speaking a word. The disciples said what kind of man is this? Even the wind and the waves obey him. Jesus walked in the supernatural and was preparing the disciples for the same. Today the Lord is preparing you for the supernatural. Talk God talk. Walk His walk on His word and experience the Supernatural. God bless you.

16 July

Praise the Lord People of the most High God Today's scripture is from 2Cor3:18& Phil3:13-14. God moves in seasons we are in a season of transition from natural to supernatural. Many people find it challenging but we need to know that God is in this transition and we will go through it with peace, grace and dignity. Paul understood that transition was necessary in his journey towards the prize. We should learn to embrace transition and make the best use of it because its going to happen anyway and resisting it only causes delay. We resist it because it costs something. We want to remain in the old season. We've got too comfortable. Fear of the unknown. Prefer to stay in yesterday than to fight a new fight each day. Today stop resisting transition and accept it. Ruth accepted the fact that she was a widow and she was ready to move from her place of birth Moab to an unknown

place Bethlehem to live with different people, religion and language only to meet her blessing awaiting her. God positioned her into the right field and took her from gleaning and picking the left overs to becoming the owner of the field but it wouldn't happen if she didn't embrace her season of her transition. Think about it. Make a move. God bless you.

17 July

Praise the Lord children of the most high God. Today's scripture is from 2 Kings 7:4; Joshua2:4-6;

Beloved in this season of transition be a risk taker. Don't fear to risk or make new moves. God has not given us a Spirit of fear but He has given us a Spirit of boldness of a strong mind and of love. Rehab took risk by hiding the spies on the roof in her house against the law of the land and the move she made was worth eternity for her entire family. Esther took risk by going in front of the king when she was not summoned to save the lives of the Jewish people. She said "if I perish I perish" She realised that she being queen was for a time like this. What is God asking you to do and you are scared to take the risk Moses's mother took the risk of leaving her baby in a basket in the river Nile not knowing that she was propelling him to his destiny. The Lepers said "why are we sitting here until we die? Let us do something lets surrender to the army of the Syrians. They took risk and made a transition and in turn they became the ones to give the good news that the Syrian army fled and made famine seize. Today on the other side there is good news, victory& breakthrough. Crossover and take the risk. God bless you.

18 July

Praise the Lord people of the most high God. Today's scripture is from Mathew 26:6-13; Num 13:29-33.

We are in a season of transition from the natural to the supernatural. Sometimes as we are making the transition everything may not look pleasant and we may not get everyone's consent but we must know that what matters is if God is in it. Did we hear from God and is that what God is expecting from us. Too many people are looking for people's approval and missing out on God and their lives are stagnant or misleading. Caleb and Joshua didn't go by what the other spies said but in turn they nullified their report by God's word and stood on God's word and made the transition from the wilderness into the Promised Land. People's opinion didn't matter to them at all. You will always have critics around you but learn to

be a God pleaser and a God chaser. Look what the woman did she broke the alabaster box and anointed Jesus without asking anybody or consulting any one and she entered into a place where she would always be remembered where ever this gospel would be preached? Today God is telling you that when you are doing God's will you will always face opposition and negative criticism but keep pressing towards the goal and the prize is awaiting you. God bless you.

19 July

Praise the Lord People of the most high God. Read Phil3:12-14 Job 17:9

Beloved move forward and stop looking behind. Leave the past and walk into what's awaiting you ahead. Irrespective of what you are going through make progression. Remember Joseph did not halt anywhere by holding on to his past he moved from pit to prime minister. You must get desperate of your situation or life and wrestle with God in prayer and make the move. God is not going to move you. You have to move. Peter didn't want to sit in that boat he wanted to walk on water so he made the move and had the experience of walking on water. Don't let yesterday use up too much of today. Make your move. GBY.

22 July

Praise the lord people of the most High God. Today's scripture Job17:9; Isaiah 58:11.

Beloved you can't start the next chapter of your life if you keep re-reading the last one. In the book of Job it says the righteous keep moving forward, and those with clean hands become stronger and stronger. You are just one step away from your supernatural break through but you cannot enter into it if you don't follow His instructions. Remember the supernatural is not the natural it supersedes the natural. It happens not by might not by power but by the spirit of the Lord. To experience the supernatural you need to be in tune with the Holy Ghost. The adviser, guide, councillor and comforter is always ready to give you direction and first-hand information from the throne room about your next move. The Lord will guide you continually, giving you water (a word) when you are dry and restoring your strength. Analyse everything that you do .Is it of God or is it what you like doing? Anything of God has His backing. Good ideas make you feel good but doesn't lead to progression. You need a GOD idea so you can have your Canaan that God promised. God bless you.

23 July

Praise the Lord Children of the most high God. Today's scripture is from Isaiah 54:11 -15; Matthew 26:39;

One of the most important keys to the supernatural is to let go and let God work. When you surrender your life to God, you are following His lead without knowing where He's sending you. You're waiting on God's timing without knowing when it will come. You're expecting a miracle without knowing what God will provide. You surrender to God and you rely on God to work things out instead of trying to manipulate others, force your agenda and control a situation. You don't have to always be in charge. You don't react to criticism and rush to defend yourself. GBY

24 July

Praise the Lord People of the most high God. Today's scripture is from John 2:1-11; Acts 3:1-10;

God is never late He is always on time to perform and to do everything that He promised He will do. The word of God tells us "In His time He makes all things beautiful" Don't try to outdo God. Wait for His time so that you can enjoy the supernatural. Mary told Jesus there is no wine and expected Him to act but Jesus said "My hour has not yet come" in other words I don't act before my time. Secondly our expectation to see the supernatural and be a part of the supernatural plays a very important role. The man at the temple of beautiful had very poor expectation He was looking for a few coins to roll into his bowl from Peter and John but God wanted them to give Him something more than even silver and gold. God has given us the most expensive gift that is His son Jesus Christ to lead us into eternity. When He didn't keep back the most valuable gift from you and gave Him to you. He will give you all things pertaining to the plan and purpose that He has in your life. The man became comfortable where He was but Jesus pulled Him out of that place to stand up to leap and praise God. God does the supernatural that He may be glorified and many will seek to know Him as their Saviour. God is doing the supernatural on daily basis. Did you catch it or are you still not able to comprehend His ways. Lord Open My Eyes to See Beyond What I am seeing. God bless you.

25 July

Praise the Lord Saints of the most high God. Today's scripture is 1 Cor 2:9; Isaiah 64:4;

We are in the last few days of the 7th month. We will see Gods power and supernatural move in every area in our lives. So let's continue to give God overwhelming praise thanking Him for the things we have already received and elevating and exalting him through our extravagant worship. Have your sweet communion with the Holy Spirit and wait for Him to move you as you receive and act on the instructions. "Since ancient there is no God like our God who acts on the behalf of those who wait on Him. As you are waiting on Him. You will see Him do signs and wonders in your life. Remember you are a child of God and it's through the word of God you have free access to the supernatural. Our God is a mind blowing GOD. EXPERIENCE IT. God bless you.

26 July

Praise the Lord people of the most High God. Today's scripture is from 2 Kings 7:1-20; Isaiah 55:11;

Beloved God wants to see the supernatural in your life. He will get anything or anybody involved to fulfil what He has spoken. God used Elisha to speak His word about the supernatural. His word has gone forth He is watching over it to perform it. God used the Lepers to move for Him. The captain didn't believe that this could happen So He moved him out of His way and used the lepers. When the lepers moved, God Got involved by creating all kinds of sound and noises that created fear in the hearts of the Syrian army and they fled. The lepers entered into the supernatural. From a place of lack to a place of overflow and abundance. They couldn't keep the good news to themselves because they were to play a part in seeing Gods word being fulfilled. So they informed the gatekeepers and the gatekeepers didn't keep it to themselves but informed the king. The King didn't want to take action but God used a servant to give the king understanding and send the men to find out and to confirm what the lepers said. Finally Gods word was fulfilled and God did the supernatural. Likewise God can do the supernatural in your life and you can also be involved in seeing the supernatural being fulfilled in other people's lives. God bless you.

29 July

Praise the Lord People of the most high God. Today's scripture is from Exodus 33:16 & Joel 2:28-29;

We are in a season experiencing the supernatural every moment in our lives. We are seeing the fulfilment of the prophet Joel. And I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions. Even on my servants, both men and women, I will pour out my Spirit in those days. The spirit of God does the Supernatural. We have God's spirit in us and we are the sons of God. Even in the book of John 10:34 Ye are gods so we operate like God and we think, create and be like God and do the supernatural.

30 July

Praise the Lord Saints of the most high God. Today's scripture is from Acts 4:29-31 & John 14:12.

Beloved you and I walk in the same miracle working power as we have the same Spirit that was in Jesus to do the Supernatural. Why is the Supernatural important? It's the Supernatural that separates us from the world and makes us different because God's presence is with us and we are accompanied by God's Glory. That's why Moses said if your presence is not going with us we are going nowhere. It's God's presence that makes all the difference. This generation must experience the Supernatural and we must share the truth of it with them. If we don't the enemy will introduce them to counterfeit experiences and he will draw them away from God and Spirit directed Signs and Wonders with false power. Not only we but our generations to come will experience the supernatural. God bless you.

31 July

Praise the Lord People of most high God. Today's scripture is from Isaiah 41:17-20 & 46:10-11;

Beloved we have experienced God's mighty power and supernatural breakthrough filled with signs and wonders this whole month. Today is the last day of the 7th month and God wants to flood us with his signs and wonders so that He may be glorified and magnified. If you are in right alignment with God you will experience God's power that can do wonders. Moses was aligned with God in

seeing the deliverance of the Israelites as he followed Gods instructions closely with obedience. He was accompanied with Gods Signs and wonders every moment. Why? Because He was ready to do the will of God. He completely depended on God. He had no other plan and He did not get carried away by his own thoughts and ideas. Even though the journey was not easy at all times Moses called on God for help and direction. Today be in aligned with God's will .Seek him wholly and be ready to do what He called you to do and you will walk in the Supernatural. God bless you.

MONTH of AUGUST

01 Aug

Praise the Lord children of the most high God. Today's scripture is from John6:14-21; Proverbs 3:5.

This month of August we are going to experience God doing new things in our lives as we walk in His abundance of favour and blessing and we continue to position ourselves for the supernatural. Jesus just finished feeding the 5000 and the people saw this sign and were amazed and were looking for more but Jesus left the people and the disciples and went to a place to be alone with His father. The disciples became impatient and made a journey to Capernaum and were faced with a tempest. Instead of being aware they should have been they left to a place not knowing what they would face. Many a times in our lives we face a lot of things unexpectedly because we left Gods presence and wandered off to where our feet is leading us to, not God until Jesus came into that boat and aligned time and position into the supernatural. One minute they were in the midst of a storm the next moment with Jesus in the boat they reached the land. How was this possible? When they received Jesus into the boat He took time on earth and transcended with eternity and positioned them to where they should have been. Meditate on these text don't lean on your own understanding and allow God to fast track your life. God bless you.

02 Aug

Praise the Lord people of the most high God. Today's scripture is from 1Cor 16;5-9;John10:7,9.

This month is a month of new things. New doors have been opened with great opportunity. Jesus said I'm the door of the sheep if you enter by me, you will be saved, and you will go in and out and find green pastures. New doors and new avenues have been placed in front of us but we can have access through these doors only through Jesus. He will lead us to green pastures and still waters .Paul said "For a great and effective door has opened to me, and there are many adversaries" These doors are readily opened for us we need to avail these opportunities and new things God has in store for us without losing our focus and not getting distracted. The enemy is always there to oppose but we need to continue in prayer praise and declaring Gods word and enter through these new doors that have been opened for us to accomplish Our God given purpose. God bless you.

05 Aug

Praise the Lord Children of the most high God. Today's scripture is from 1 Kings 18:21; James 1:6-8;

Beloved don't be a double minded person. A double minded person is one who has two minds and souls. A doubter is a double-minded person. Jesus had in mind such a person when He spoke of the one who tries to serve two masters (Matthew 6:24). As such, he is "unstable," which means unsteady, wavering, in both his character and feelings. Such a person cannot receive anything from the Lord. Elijah told the people "How long will you falter between two opinions? If the Lord is God, follow Him: but if Baal, follow him "But the people answered him not a word. Make a decision today. GBY.

06 Aug

Praise the Lord People of the most high God. Today's scripture is from 1 Kings 18 :37-40; & Psalms 50 :15;

Call on His name at all times not just when you have a challenge, that's how you would develop an intimate relationship with God. Elijah stood on God's word and walked in the power of God through His relationship with God so when He called God answered while He was yet speaking God heard Him. He knew that the God who He was calling will surely show up because He was a living God. Your relationship with God makes Him respond to you. Your love for Him makes you obey Him. If you love me keep my commandments. That's the reason why Elijah could say "Lord God of Abraham Isaac and Israel let it be known this day that you are God in Israel and I am your servant and that I have done all these things at your word." when we do things based on His word He will surely fulfil what He said. So God answered by fire and turned the hearts of many who were doubting towards Him. Today choose to follow His word not your feelings or emotions. Don't be unstable make up your mind to serve Him and live for Him. He will answer by fire. God bless you.

07 Aug

Praise the Lord people of the most high God Today's scripture is from Psalms 95:8-11; Ecc 11:5

God's ways are always higher than our ways. His thoughts for us are far higher than our thoughts. Some of the things that God does our human mind cannot comprehend and when we don't understand things it's good to surrender and make room for Him to do it His way. Rather than to fight against it not knowing

that it's God. In Psalms 95:10 says "For 40 years I was grieved with that generation, And said, It is a people who go astray in their hearts, And they do not know my ways. Today hearken unto His voice and Let Jesus have His way. Some stubborn problems can be resolved unless you stop interfering with Gods doing. He knows the end from the beginning. Stop concluding things when it's in the process. Just learn to be still and know that He is God. Pray until something happens. Don't give up. He will do it His way. God bless you.

08 Aug

Praise the Lord Saints of the most high God. Today's scripture is Heb 10:35-39 & Psalms 107:2;

The word of God says let the redeemed of the Lord say so. I am healed, I am blessed, I am highly favoured Jesus redeemed us by a ransom and our redemption has covered us from all kinds of arrows that the enemy throws at us. We belong to Him and Him alone and the enemy cannot get to us because of the finished works of Jesus Christ on the cross. We are insured by the blood of the Lamb. The word of God says cast not away therefore your confidence, which hath great recompense of reward. For ye have need of patience, that after ye have done the will of God, ye might receive the promise. Remember you are His. Know that His word will surely work for you and give you victory. God Bless you.

09 Aug

Praise the Lord children of the most high God. Today's scripture is Rom 8:28 & Isaiah 55:8-9;

The Lord our God He is the master planner and He holds the blue print of your life. As it says in Psalms 139:16 your eyes saw my substance being unformed And in your books they all were written. The days fashioned for me, when as yet there were none of them. He knows your rising up and your sitting down. Walk having close communion with the one who can direct your next step. God is in control over your life if you have surrendered completely to His will. When you see things not working the way you expected it to, don't get discouraged or disappointed lift up a praise and a thanks giving unto the Lord. Tell Him God your ways are far higher than my ways your thoughts are far higher than my thoughts. Lord You be in charge. Today vacate the driver's seat and give God His place in your life and let him drive you into the journey you are making because He knows the end from the Beginning. That storm, that trial, that sickness that situation and circumstance are in His control. They cannot swallow you, drown you or destroy you. He is in the centre of it all and He is making all things to work

out for your good. Look at things with the eye of God not by your emotions. God bless you.

12 Aug

Praise the Lord Children of the most high God. Today's scripture is from the book of Romans 8:9-11;

Beloved Know who you are and whose you are. You are a Child of the most high God. You are born of the water spirit and the blood. What makes you stand out from the rest of the crowd is 1. The spirit of God dwells in you in other words He doesn't visit you or comes upon you. He lives, resides and inhabits in you. He works from the inside by transforming your mind your heart. He influences and impacts you to think like your creator act and behave like your maker and work the works through the power that comes from within you. He makes you bold, strong and fearless. He teaches you the word of God. He Counsels, comforts, guides and directs you into the right part. He is in the inside of you to help you and lead you into all truth. Commune with Him on daily basis. God bless you.

13 Aug

Praise the Lord Saints of the most high God. Today's scripture is Romans 8:9-11; John 14:17-18;

The Bible says those who have the Spirit of God are the sons of God. so we are the inheritance of God. Secondly Christ lives in you that's why Jesus said If you love me, show it by doing what I've told you. I will talk to the Father, and he'll provide you another Friend so that you will always have someone with you. This Friend is the Spirit of Truth. The godless world can't take him in because it doesn't have eyes to see him, doesn't know what to look for. But you know him already because he has been staying with you, and will even be in you and help you. Get tuned in. GBY

14 Aug

Praise the Lord Saints of the most high God. Today's scripture is from Psalms 9:1; Phil 4:5-7;

Beloved take few moments to give thanks to God for all His wonderful deeds and bless him. Thanks giving and a heart of gratitude lays the stage for breakthrough. At all times shift your focus from things that haven't happened yet or haven't achieved to things you received from the Lord and fill your heart with gratitude and thanksgiving. David said" Give thanks to the Lord for His mercies endureth

forever" David reminded God of how the Lord picked him as a shepherd boy and made him sit in the midst of prince and princess. Do you have anything to thank God for? Then do it right now. Set the stage for your break through. You are not far from it. God bless you.

.15 Aug

Praise the Lord Saints of the most high God. Today's scripture is from Psalms89:20-24; Psalms 34:1-3

Beloved have a thanksgiving lifestyle and be grateful to God for everything He has done for you. Be just like David who praised God seven times a day for his righteous judgements. Because of David's thanksgiving lifestyle, God said to him, "I will beat down his foes before his face, And plague those who hate him." whenever thanksgiving rises up to God, He is stirred into action to perform a miracle. Be a thanks giver because thanksgiving releases enormous power of God to do wonders in your life. Gratitude is a spiritual force that empowers you to scale to higher heights. When you are grateful & thankful, God unleashes supernatural forces from heaven to make things work for you the way they should. God bless you.

16 Aug

Praise the Lord children of the most high God. Today's scripture is from Psalms:92;1-2.

Our lives should be filled day to day with a spirit of thanksgiving. The verses say, we are to praise and thank God. The apostle Paul wrote in Colossians 2:6 that our lives are to abound in thanksgiving. Colossians 4:2 says that we are to be devoted to giving thanks. Philippians 4:6 says we are to do everything with prayer and thanksgiving. In Psalm 116 we read that we are to make our lives a thanksgiving offering before the Lord. The book of Hebrews says we are to "serve the Lord with thanksgiving." And our lives are to be filled with gratitude for what the saviour has done. GBY.

19 Aug

Praise the Lord people of the most High God. Today's scripture is from Psalms27:14; Isaiah 40:31.

God's timing is perfect timing. He's never late. He's always on time. You can mess up things if you haven't learnt to wait on God. Learning to wait on God is an art children of God should develop. It helps to become patient and it builds up Character. James 1:2-4 says "But let patience have its perfect work, that you may be perfect and complete, lacking nothing." When you are waiting on God you are waiting on the Holy Spirit for instructions. When you don't hear anything you learn to remain still in the presence of God. Let God move in His own time. Don't try to run before God or do things thinking you are helping God. God doesn't need your help nor your interference in what He is doing. You and I need His help at all times. Your waiting in His presence praying praising and worshipping Him indicates that you trust Him wholly and that He is in control. Wait on the Lord be of good courage wait I say on the Lord. God bless you.

20 Aug

Praise the Lord Saints of the most high God. Today's scripture is from Isaiah 64:4 & Isaiah 30:15-16;

Learn to wait by resting on God's word. Don't allow fear, doubt or time intimidate you. God can change everything in a twinkling of an eye. God works on the behalf of those who wait upon Him. Psalms 145:14-15 "The eyes of all look to you, and you give them their food at the proper time. You open your hand and satisfy the desires of every living thing." God is not a God who will deprive you of all the good things that He has in store for you, far better the word of God says no good thing will He withhold from those who walk uprightly. Learn to wait on the Lord by giving Him all the attention by making Him your focus. Not what you want but what He wants. While waiting submit to His will. God bless you.

21 Aug

Praise the Lord Children of the most high God. Today's scripture is from John 2:4; Ruth 3:18;

Jesus waited for the hour or the correct timing to perform His first miracle which is of very great significance. He didn't rush into it just because of the need or situation He was in. In other words He didn't act by emotions but waited for the right timing to launch the miracle so that when He did it, many will see, know and understand that this was something their minds could not comprehend and they got to taste the best wine at the end from that of the beginning. God wants

us to know that our waiting on God will always make us receive the best. When God knows we are waiting on Him or waited for Him He settles things in a way that we can't comprehend and also loads us with so many benefits and blessings. In the life of Ruth we see Naomi advising Ruth to wait and be patient and see what happens. The man will not rest until He settles this matter today. God is telling you and me "my son my daughter I will not rest until I settle this matter today." God bless you.

22 Aug

Praise the Lord Children of the most high God. Today's scripture is from 2Peter3:8-9&Isaiah 60:22;

God's timing is perfect timing. When He steps into our situation circumstance things change. The man waited at the pool for a long time. He had this infirmity for 38years but when Jesus came to him he received his healing instantly. The woman with the infirmity came to the synagogue for 18years but Jesus came there to loosen her and set her free. She was completely made whole and perfect. Saul of Tarsus had his encounter on the road to Damascus and was transformed to Paul. That was Gods perfect timing. All these incidents happened in Gods perfect timing. Yours is no exception. Isaiah60:22 "I am God at the right time I will make it happen" Your prayers have already been heard all you need to do is wait on God for His timing giving him thanks praise and worship. Stand firm on His word. It will surely come to pass. God bless you.

23 Aug

Praise the Lord Saints of the most high God. Today's scripture Lam3:25-26; Acts1:7;

God has planned and purposed things for us at the appointed time. Even though we may think its taking too long or time is passing away. God works out things in His perfect time. "It's not for you to know times and seasons that the father has fixed by His own authority"(Acts1:7). You and I just have to learn to embrace the season we are in knowing that our God will never allow us to go through anything that He didn't permit for us to go through.InJohn13:7Jesus tells His disciples "What I am doing You do not understand now, but afterwards you will understand" The same thing applies to us as well. At this moment we may not be able to figure out everything but we need to understand that our God is a loving

father who always blesses us with good things and would always want the best for us. Learn to wait on Him and things will smoothly flow towards you. God bless you.

26 Aug

Praise the Lord Saints of the most high God. Today's scripture is from 1Sam17:34-37; Psalms147:5;

Beloved we are in a season of perfect timing of God and Gods is about to do the things He has done in a miraculous way once again in our lives. If He calmed the storm in your life in the past He can do it again and He will do it His way. You got to have the faith to believe God for your breakthrough, healing, job, business, career or salvation for your loved once. He is the same God yesterday today and forever. He is a God that changeth not. David testified to Saul about His God ,the Lord of Host ,who delivered Him from the paws of the lion and the bear and He is the one who will deliver him from this uncircumcised giant. Which giant is speaking to you? Open up your mouth and brag about your God and His unfailing promises towards you and your family. If He did it before He will do it again. Trust in Him fully and bless Him. God bless you.

27 Aug

Praise the Lord Saints of the most High God. Today's scripture is Psalms126:4-5;

And now, God, do it again -bring rains to our drought-stricken lives. So that those who planted their crops in despair will shout hurrahs at the harvest, So that those who went off with heavy hearts will come home laughing, with armloads of blessing. This is the season to shift things in our homes, in our lives, finances & Career. Lord we make room for you to come and do new things, to turn things around, to do it your way. This morning we provoke heavens to fulfill Gods spoken word and promises in our lives. This season is for us to experience Gods power to make a way where there seems to be no way. For Him to work out miracles that have no explanation and the sort of miracles that you or I couldn't relate to. Your eyes have not seen neither your ears have heard of what God has prepared for those who love him. Get ready to see Him do it again and do it His way. God bless you.

28 Aug

Praise the Lord Saints of the most High God Today's scripture reading is from Lam3:22-23; Mathew 17:20;

We are almost at the end of completing the 8th month and moving to the 9th month. Don't allow this last few days to waste away but use it in persistent prayers and offering our thanksgiving unto the Lord. Take time to reflect on the goodness of the Lord and how He carried you through the good times and the rough times. He stuck closer to you than any friend or brother. It's important to take time to reflect on the things that He made happen in your life. Don't be anxious about anything. He brought you out of the worst things in life and did the miraculous. Just have faith He will do it again. He is able. God bless you.

29 Aug

Praise the Lord Children of the most high God. Today's scripture is from Psalms145 &Romans8:32;

Beloved let's take time to reflect on the goodness of the Lord. In this Psalm we can see David talk about the greatness of God and His wondrous works. He praises God for His mighty deeds. Reflection and thankfulness makes God to move and to do mighty things in our lives. It sets the stage for God to come and act. If you think that these 8 months were rough months for you then read Psalm 145 again? Take some time by yourself to reflect on every part of this psalm. Look back on this past months and trace the hand of God who provides you with everything you need.Rom8 :32 If God didn't hesitate to put everything on the line for us, embracing our condition and exposing himself to the worst by sending his own Son, is there anything else he wouldn't gladly and freely do for us?;He loves us too much to see us sad ,sick, depressed or broke .Just in the midst of where you are raise a hallelujah of praise and let there be a shift in the atmosphere. God bless you.

30 Aug

Praise the lord people of the most high God. Today's scripture reading is from 1Thes5:18; Heb13:15;

Let's continue to take time to reflect on the goodness of the Lord and His faithfulness towards us. Don't always focus on the things that you haven't

received but learn to give thanks to God for them, knowing that your heavenly father always gives you good and perfect gifts. We received things from God that money, silver, gold and precious jewels cannot purchase. eg breath of life. Some people who are younger than you are no more but you are still alive and well. In that storm God is with you. In that broken relationship God is with you. Where you are God is still with you. He will not leave you until He fulfils everything that He has spoken in your life (Gen28:15) Take moments to reflect on the goodness and mercy of God and open your mouth praising and thanking Him at all times. God bless you.

MONTH of SEPTEMBER

02 Sep

Praise the Lord Saints of the most high God. Today's scripture is Gen12:1-3 & Gen15:1-6;

Beloved the plans the Lord has for you is of good and not of evil that you may have an expected end. Don't settle for anything less, settle for Gods best. God has good things in store for you. No matter how life is treating you God is working in you, for you and through you to fulfill all that He has spoken concerning you, your family, marriage health, finances, career etc. Learn to wait for Gods timing and His plan to be fulfilled. Don't compromise for something less. God promised Abraham a son but when he saw that he and his wife were old he decided to have his servant as heir and God told him that his descendants would be like stars in the sky that he couldn't number. Abraham wanted to settle for Plan B but God assured him that from his loins shall come forth his son. Today God is telling you to hold on to his promise and believe and see its fulfilment in your life. God bless you.

03 Sep

Praise the Lord People of the most high God. Today's scripture is from Gen28:15 & IThes5:24;

God spoke to Jacob and said I will be with you until I fulfil all that I have spoken. God keeps His promise. He is faithful to do and complete everything He has spoken. After God spoke to Jacob, he faced a lot of problems and went through a lot of hardship in life but God was with him and protected and kept him. The things that Jacob went through made him depend and trust in God more and brought him to a place where he sent all his family away and spend time wrestling with God until God blessed him. The things that you are going through in life is not to destroy you but to build you up and prepare you to be whom God called you to be. Every struggle will come to an end with blessings, for going through and enduring worst situations and circumstances patiently without complaining or grumbling. So at this moment don't throw away your confidence but continue to hold on to Gods promises. He will surely bring it to pass. God bless you.

04 Sep

Praise the Lord Saints of the most high God. Today's scripture Psalms 89;33-34; Isaiah40;8;

God's faithfulness towards His word. Heaven and earth may pass away but my word stands for ever. We cannot add to His word nor subtract. His word His forever settled in heaven. God's word is fulfilled in Gods perfect timing. (Gen18:14)Is anything too hard for the Lord? At the appointed time I will return to you according to the time of life, and Sarah shall have a son. Your appointed time is not far God will surely bring every dream, Vision and prophesy to pass. If God spoke it He is the one to fulfil it. We just need to believe His word.(Gen21:1)And the Lord visited Sarah as He had said and the Lord did for Sarah as He had spoken. The Lord will visit you where you are and will do for you as He did for Sarah because He is not a respecter of persons. Hold on to His word. God is watching over His word to perform it. God bless you.

05 Sep

Praise the Lord Children of the most high God. Today's scripture is from 1kings8:56-58;

Blessed be God, who has given peace to his people Israel just as he said he'd do. Not one of all those good and wonderful words that he spoke through Moses has misfired. May God, our very own God, continue to be with us just as he was with our ancestors—may he never give up and walk out on us. May he keep us cantered and devoted to him, following the life path he has cleared, watching the signposts, walking at the pace and rhythms he laid down for our ancestors. Let that be your Portion and mine in this month of September. Laughter and rejoicing will not leave our dwelling place.

06 Sep

Praise the Lord people of the most high God. Today's Scripture is 2 Chron 6:15-16.

God, O God of Israel, there is no God like you in the skies above or on the earth below, who unswervingly keeps covenant with his servants and unfailingly loves them while they sincerely live in obedience to your way. You kept your word to David my father, your promise. You did exactly what you promised—every detail. The proof is before us. This is what Solomon said with your mouth you have spoken it and with your hands you have fulfilled it. This month you

will see God move on your behalf. As you believe on His word you will receive. Accelerate your faith & see the unexpected .GBY

09 Sep

Praise the Lord Saints of the most high God. Today's scripture is from Mt:4:4; Mt:7:24-27;

The word of God is our sustenance. We live by every word that comes from the mouth of God. It is the word of God that gives us the strength to face the realities and difficulties of life. Therefore we must pay careful attention to what the Lord is saying to us. Because we live by the word of God. Otherwise we would perish in our circumstances. The word of God gives stability to our lives. Jesus said that whoever listens to his words and obeys them is like a wise man who built his house on the rock. The storms came and the winds blew and beat upon that house .But it stood firm because it was built upon the rock. When we build our lives on the word of God we can face any storm and still remain strong and stable. Hold on to His word. God bless you.

10 Sep

Praise the Lord Saints of the most high God. Today's scripture is from Numbers 23:19 & Isaiah 44:25-26.

The word of God gives us a surety and an assurance of fulfilment. Jesus said that even if the heavens and earth pass away, His words would never pass away. God is not a man that He should lie or change His mind. We can trust His promises with full assurance that He would fulfil what he has promised. Abraham had such a strong and unshakable faith in the promises of God even in hopeless situations. The word of God spoken through His servants is confirmed by God. The Lord speaks to us through His servants and prophets and confirms and fulfils what He has spoken through them. The Lord was with Samuel and ensured that none of his words fell to the ground. Therefore we should expect the confirmation and fulfilment of what the Lord has spoken to us through His servants. Your God given prophesy is no exception. Just believe. God bless you

11 Sep

Praise the Lord Children of the most high God. Today's scripture is Isaiah 55:11 & Ezekiel 37:1-14;

His word will never fail. Even if your case looks like its finished or closed or dead, Gods word has the power to resurrect it back to life. Doctors, lawyers and people of all walks of life might have given up, but Gods word has the power to

change every report, every case and every law in your favour. Lazarus was in the tomb for 4 days. A human beings brain cannot function or it shuts down if it's not provided with oxygen for 5minutes and here we see in the case of Lazarus his brain shut for 4 days and when Jesus calls out Lazarus come forth, He came forth alive and well in the right state of mind. Now speak and prophesy into your situation and circumstances and see the glory of God as you believe His word. What is impossible with men is possible with God. God bless you.

12 Sep

Praise the Lord people of the most high God. Today's scripture Psalms119:130; & Isaiah41:13;

The word of God stimulates us and inspires our faith. Faith comes by hearing the word of God. The word of God brings clarity and understanding in times of perplexity and confusion. The word of God brings the message of peace. Therefore we must be careful to fill our hearts with the word of God which will fill us with faith and confidence. We should not be easily troubled by the various voices of fear and despair but put our trust in the word of God. The word of God gives us solace and comfort in times of sorrow and agony. It gives us rest and peace within our hearts. It gives us hope and assurance of God's presence. It increases our faith and makes us believe that impossible is possible with God. God bless you.

13 Sep

Praise the Lord Saints of the most high God. Today's scripture is Josh 21:45;

God's promises will never fail. Not one word of all the good promises that the LORD had made to the house of Israel had failed; all came to pass. They didn't fail during the time of Joshua nor will they now. God's word is trustworthy. His promises are true. What God says he will do, he will. In 2 Corinthians 1:20: "For all the promises of God find their Yes in him. That is why it is through him that we utter our Amen to God for his glory. "Saints of God hold God by His word on everything He has spoken regarding you, your household, your career, your finances, and your marriage. Talk to God about it and tell Him "Lord I know you will surely bring each of your promises to pass "Thank Him and praise Him. He is a covenant keeping God. He will fulfil everything that He has spoken. God bless you.

16 Sep

Praise the Lord saints of the most high God. Today's scripture is Isaiah6:1-13;

The first thing you are going to have to do to enter into the presence of God is to let your own King Uzziah die. Uzziah represented peace and security for Isaiah. He was someone everyone trusted in, who would take care of them, protect them and satisfy their hungers in life. A good person who blocked the need for drawing close to God. Some of us need to let our Uzziah's die so we can learn to worship God's majesty, to give Him the honor He alone deserves, to lift up and exalt His name for He alone is worthy of our praise and adoration, He alone is worthy to be Lord. God bless you.

17 Sep

Praise the Lord People of the most high God. Today's Scripture is from Isaiah 6:1-13; Exodus33:17;

When we meet with the presence of God and we are engulfed by the glory of God we are awestruck. We realise that we are unclean and undone in front of a Holy God. Eg: Peter had an encounter with Jesus at the big catch. He said "Go away from me Lord for I am a sinner" Realisation and repentance takes place and we are transformed and ready to flow in that Glory. Having encounters with Gods presence and His glory can never allow you to be the same. You are transformed to be more like Him. Eg: to think like Him, to talk like Him and do exploits for Him. God wants you to know that you are a glory carrier. When you enter places the presence of God and the glory in you shifts the atmosphere and rearranges things in your favour. God bless you.

18 Sep

Praise the Lord People of the most high God. Today's scripture is from Esther 5:1-8; Psalms102:13;

This month you will experience Gods favour in a mighty way in every area of your life. You will not follow protocol but Gods favour will make you jump the queue and go ahead of others. Esther got the courage and boldness to do the extraordinary when she fasted and prayed. She went and stood in front of the King and she was favoured. Its your season to be favoured. Every natural law will be broken by the faith you and I have on His word to see the supernatural. Things are not going to happen in the way we are expecting it too but Gods working out

things beyond our expectation. You and I are in for pleasant surprises. GBY.

19 Sep

Praise the Lord children of the most high God. Today's scripture reading is from Exodus 33:7-23.

Beloved seek Gods glory & desire it every moment in your life. Consider everything else as less important and put God first over everything else. Don't be satisfied with a trickle, desire a downpour. Gods not going to show up to people who are not hungry for Him. Have an appetite for Gods glory and He will show up for you. Don't quench the Holy Spirit and continue to draw from Him. From Him let your praise and worship flow. Let not things of this world take away your time with God but make room for the king of glory to come in and move in your life. Read and meditate on His word day and night. Moses experienced Gods presence every time and He still desired to see Gods glory and hungered for more. Let this be your desire too. God bless you.

20 Sep

Praise the Lord People of the most high God. Today's scripture is Psalm57:1-11;

This Psalm birth out when David was hiding in a cave from Saul. We see in this psalm there was no lament or complaint but the main aim was about praise and the glory of God which are mentioned in verse 5&11.David valued the glory of God more than the problem he was in. He knew that when the glory of God sweeps the place he would be delivered and set free and elevated to the place which God had prepared for him. We as children of God carry the glory of God in other words God dwells in us and we carry His presence. The glory that is in us makes us display Gods character, His attributes, beauty & greatness. The glory of God is like a magnetic power that attracts many people towards us not because of who we are but for who He is in our life. God wants to display His glory in our lives and reveal His glory in all things. God bless you.

23 Sep

Praise the Lord children of the most high God. Today's scripture is Acts2:1-4 &John11:40;

Let your desire and hunger for God's presence become more and more (multiply) Like the believers gathered together in unity seeking the Lord in the upper room. They were in one spirit and in one accord. The believers on Pentecost day when they encountered the glory they didn't go to normal lives, they separated themselves from the world. They were light in the midst of darkness (Acts 2:47) people were added to the church. They led selfless lives. Their lives portrayed Christ so they were called Christians. They no longer lived but Christ lived in them the hope of glory. Glory carriers live for the one whose presence they carry. They are dead to themselves and they are alive and exuberant for Christ. You are God's house with no fixed location. You walk, talk and live by God's word. It's one thing to have the glory it's another thing to walk by it. Remember God wants to display His glory through you. Be sensitive to the Holy Spirit. God bless you.

24 Sep

Praise the Lord Children of the most high God. Today's scripture is from Isaiah 60:1-2;

I want you to begin to align your mind and mark your consciousness to the manifestation of God's Glory in your life, home, business, career, relationship, education etc. And see yourself soar above the limits that life places on people that don't have the glory of God in their lives. When the glory came the grave couldn't hold Jesus in; the prison could not keep Paul and Silas; Lazarus came forth; the Red Sea parted; and there was no lack in the early church. Friend, the same God that brought these glories is our God, let's brace up and begin to hunger and thirst for Him. GBY.

25 Sep

Praise the Lord People of the most high God. Today's scripture is from Daniel 3:14-20.

Glory carriers are risk takers they are faith giants. They know that they God will surely show up for them in their situation and circumstances. They magnify their God far above what they are going through. The Hebrew boys told the King that they wouldn't bow to the image because they know the God that they serve is much able and willing to deliver them and even if he doesn't they still wouldn't bow to any other. This statement was given to a heathen king. When the king of glory heard this he entered the fiery furnace as the fourth man. When you take risk for God against every challenge you will see God show up for you and you

will see God elevate you into high places. Dont be afraid to take risk for the Lord. Move forward and you will see God show up for you. God bless you.

26 Sep

Praise the Lord Saints of the most high God. Today's scripture is from Acts 5:12-16;

The apostles walked in the glory of God and did many signs and wonders in the midst of the people. They walked in oneness and were in one accord. The glory that was in them drew multitudes of both men and women. The people brought the sick out into the streets and laid them on beds and couches, that at least the shadow of Peter passing by might fall on some of them and heal them. It was not the shadow it was the glory of God that healed the sick. You and I are carriers of His glory. Sickness, disease and demonic attacks cannot come near us unless we open a door for them to invade into our lives through anger, bitterness and unforgiveness etc. We are the most privileged People on earth who carry Gods glory. In the old testament people awaited Gods Glory to descend down on to the tent of meetings. We are the temple of the Holy Spirit carrying His glory. We are earthen vessel that carry the glorious presence of God. You are here to make a difference. God bless you.

27 Sep

Praise the Lord People of the most High God. Today's scripture is In Haggai 2:7,

The Amplified Bible states, "And I will shake all nations and the desire and the precious things of all nations shall come in, and I will fill this house with splendour, says the Lord of hosts." In Hebrew, the word shake used in this context means "God will throw His weight around." His "weight" is His fullness or abundance. The weight of God's glory, then, is the fullness of God. In this hour, like never before, the Spirit of God will release mighty demonstrations of the Word in the earth by the power of His glory. That glory will flow through us, the Body of Christ. Get ready! GBY.

30 Sep

Praise the Lord Saints of the most high God. Today's scripture is from 2Cor 3:7-18;

Beloved in the Old Testament, the glory of God was external. It came and it went. It didn't rest forever. They had a glimpse of the glory. The glory showed up as a

pillar of cloud by day and a pillar of fire by night. The cloud was at the entrance of the tabernacle of meeting. This was Gods glorious presence. In Goshen the light that was shining was the glory of God while the rest of Egypt were blanketed in darkness. It was the glory of God that was displayed when the Israelites were crossing the Red sea that shined on the Israelites and was onto them as light while the Egyptian were in darkness and yet this glory was passing away but nevertheless when we turned to the Lord and accepted Him that glory didn't rest on us but dwells in the inside of us. Our bodies are the temple of the Holy Spirit and Christ dwells in us and we are being transformed into the image of Christ from glory to glory by the Spirit of God. You and I are glory carriers, let's make the difference. God bless you.
