

**HOUSE OF PRAYER's QUARTERLY DAILY DEVOTIONALS**

**MONTH of OCTOBER, NOVEMBER & DECEMBER 2018**

- *Pastor Colleen Samuel*

# MONTH of OCTOBER

## 1 October

Praise the Lord Saints of the Most High God. Scripture reading John 17:4 & John 19:28-30

We have entered a new month and we are in a new season. In the book of *Nehemiah 8:10*- Go your way, eat the fat, drink the sweet and send portions to those or whom nothing is prepared for this day is holy to our Lord. Do not sorrow for the joy of the Lord is your strength. Everything that you looking forward to is already done by the Lord Jesus Christ on the cross. Jesus glorified his Father by finishing His assignment on the earth (the purpose of His coming to this world). On the cross, he paid it all from your healing to everything that you need was paid by him. Every bitter situation every sour situation & every situation that you and I cannot handle, he handled and finished it on the cross. He became a curse on the Cross that you might be blessed. He became poor that you might be rich. He became weak so you could be strong in him. Everything you need, he paid it on the cross. The next time Satan comes with his lies, tell him Jesus paid it on the cross and I am walking in the victory of Christ and you are under my feet. God bless you. You are victorious.

## 2 October

Praise the lord children of the Most High God. Scripture reading is from Psalms 118:23-24 & Psalms 126:1-3

The Lord has done great things for us and we are glad. Everything was done on the Cross for us. He paid it all in full. He brought us from darkness into His marvellous light. He set us free from every captivity and grip of Satan by giving us victory over sin and death. We are no longer slaves to fear anger bitterness and un forgiveness. They have no control over us. We live in victory in the finished works of Christ. All that you and I are looking forward to is already done by God. This is our season of great manifestation. Our mouths will be filled with laughter and our tongue with singing. The things you are about to see in your life in this season will be marvellous in your eyes because it will be the Lords doing. It's coming in different sizes shapes and colours beyond your expectations. Receive it. It's from the Lord. God bless you.

## 3 October

Praise the Lord people of the Most High God. Scripture reading is from 2 Corinthians 5:7; Romans 1:17 & Hebrews 11:6.

Faith is a substance of things hoped for the evidence of things not seen. Faith comes by hearing. Hearing what? The word of God. We should be hearing the word of God and believing the word of God and resting on the word of God. The word of God is powerful sharper than a double edged sword. Heb 4:12 says; by faith we understand that the worlds were framed by the word of God. The word of God is alive. Its spirit filled and truth. The word of God is working in our lives. Add your faith to it. In Hebrews 11, we see by their faith on God's word they accomplished great and mighty things for the Lord being in the old covenant standing on His word. How much more we who are in the new covenant living in the finished works of Christ. We shall walk by faith and not by sight. This morning you are going to change the environment by calling into existence the things that are not as though they were already there. You are going to create things by confessing and declaring His word. You will see your lines falling into pleasant places. God bless you.

## 4 October

Praise the lord Saints of the Most High God. Scripture reading is from Psalms 107:2 & Mathew 8:8

The words of our mouth have the power to speak life or death into everything we are dealing with. Psalms 141:3 - Set a guard o lord over my mouth. Keep watch over the door of my lips. Let our mouth be used to praise God and let not that same mouth be used to curse or slander. Let us use our mouth to speak and confess the word of God with power and authority over our bodies over our children and over every impossible situation. Jesus demonstrated the word when He cursed the fig tree and calmed the storm and it was so. Today you just need to say the word with power and authority and you will see deliverance healing breakthrough and a supernatural move or shift. Exercise the word of God and see a shift in everything that you are believing God for. He will surely come through for you. Mathew 8:16 Jesus cast out the spirits with a word. Speak the word. You are a king. Use your authority. You are walking in power and you have dominion over all things. You are born to rule. All things are under your subjection. God bless you.

## 5 October

Praise the Lord Saints of the Most High God. Scripture reading is from Job 8:7 & Zechariah 4:10;

The word of God tells us that we should not despise the day of small things for the Lord rejoices in us. He knows the end from the beginning. He knows how each one of us are going to end. We need to cooperate with Gods plan. Mordecai was at the gates of the palace but soon He took the place of Haman. That is how God is starting us. Keep doing what you are called to do by being faithful and God will elevate you in due time. It's the starting point but there is a journey that will take us to the end. In between they are many things that God will take us through. In the book of Job, it says though your beginning was small yet your later end would increase abundantly. This verse is from the book of Job. Job was blessed in the beginning of the story it tells us that he was prosperous and wealthy and yet the verse says that his beginning was small but his later end shall be great or would increase abundantly. We are almost at the end of this year I declare that you latter end would increase abundantly. Everything you been waiting upon will come looking for you. You will see His promises being fulfilled in your life. God bless you.

## 8 October

Praise the lord Children of the Most High God. Today's scripture is from Mark 4:35-36 & Matthew 16:24.

God has given us a word that we have crossed over to the other side. In this 10<sup>th</sup> month - from sickness to good health; from sorrow and pain to Joy; from struggles to free flow; from anxiety and worry to peace. Every time they try to show up on this side you will remind them that I have gained victory over you. The other side is completely a new level. Soak yourself in prayer praise and His presence. In this level, you will have new devils I mean challenges but you will speak to the challenge and say He has given me victory over every situation and circumstances. Put God first in your life. Desire to extend his kingdom and serve him. Be in tune with the Holy Spirit and receive direction. Walk by faith and not by sight. Everything you need is already there. Give thanks to the Lord and you will receive. The days of hard labour have ended you are in a time of sweat less labour and free flow. God bless you.

## 9 October

Praise the Lord people of the Most High God. Today's scripture reading is from Isaiah 43:1-2; Deuteronomy 31:6 & Proverbs 18:24.

The Lord is near. He is not a God afar off. He is a God that dwells in the midst of his people. He is a God who cares about every minute detail in our life. He is a God that sticks closer than a brother. In Deuteronomy 31:6, it says - Be strong and of good courage do not fear or be afraid of them. For the Lord your God He is the one who goes with you. He will not leave you nor forsake you. In the book of Isaiah 43:1-2; He says- Fear not when you pass through the waters, I will be with you and through the rivers they shall not overflow you. When you walk through the fires you shall not be burned or the flames scorch you. We have the blessed assurance from His word that He is always with us in the storm to calm it. In the lion's den to shut the mouth of the lions and in the fiery furnace as the fourth person. What a mighty God we serve. Let's give Him all the praise Glory and honour. Be blessed.

## 10 October

Praise the Lord children of the Most High God. Scripture readings are from Ephesians 6:18-20 & 1 Thessalonians 5:17&18.

Prayerful life is a powerful life. Prayer has the power to break walls, barriers and obstacles in life to move forward. Pray in the spirit and pray at all times. It changes things around in the spiritual and physical realm. King Hezekiah in 2Kings 20:1-6 prayed and God extended from death to 15 years. God said tell Hezekiah, I have heard his prayers I have seen his tears, I will surely heal him. Prayer can move God's heart. David poured out his heart in the presence of His God. You also pour out your heart to God like Hannah did and birth out Samuel. My people pray this is the 10 month. Birth out every dream, vision and prophesy in prayer. Pray at all times. Watch and pray and yield not into temptations God bless you.

## 11 October

Praise the Lord beloved of the Most High God. Scripture readings for today are Genesis 28:13-15; & Genesis 32: 22-32

People of God, the Word of God is filled with promises of God and those promises are for us the redeemed of the Lord. Every promise and prophesy from God will surely come to pass because it is God's word. It has gone forth it shall not return void. It shall accomplish the purpose for which it has been sent out. Jacob received this word from the Lord and still did not see its fulfilment until he wrestled with God. God had to release those blessing that were hanging in the air into his life by blessing him. He even changed his name to Israel. Have you wrestled with God in prayer regarding His promises and prophesies that have gone forth in your life. Don't doubt God's word. Pray constantly. Pray persistently. You will see every dream and every vision and prophesy come alive. Wage a good fight in prayer regarding the prophesies you have received so that you can see their fulfilment in your life. The enemy is waging war against your faith and belief that you have upon Gods word. He will try his best to stop or delay the manifestation of God's word but you need to fight that good fight and not give up on what God has spoken until you see its manifestation. PRAY. You will see it birth out. It's your season don't miss it. God bless you.

## **12 October**

Praise the Lord children of the Most High God. Scripture reading is Psalms 68:28 & Mark 9:23-24.

God wants to display His power in our lives. He wants us to know who we are trusting and believing. He wants us to be aware of His power and might. In psalms 68:28, the Word of God says summon your power O God, the power, O God, by which you have worked for us. God has displayed His power and might in several occasions. Today, He wants you and me to bring to remembrance the many times in the past he has showed up for us and displayed His power in a vital way. He is the same unchanging God yesterday today and forever He is one and the same and He changes not. There is nothing that he cannot do for you. There is nothing He cannot change and there is nothing he cannot turn around. In the book of Mark 9:23-24. Jesus said if you can believe, all things are possible to him who believes. You will see it possible. The father of the child cried out and said I believe help my unbelief. Today, ask God Lord! Help me to belief in you wholly and help my unbelief. Let your faith in Him silence every other voice in Jesus name. He will give you victory over everything. Have a wonderful day.

## **15 October**

Praise the Lord children of the Most High God. Today's scripture reading is from 1Thesslonians 5:24 & Hebrews10:23.

God is a faithful God. His mercies are new every morning. He is faithful to a 1000 generations. Even when at times we are faithless, He remains faithful because he cannot deny his faithfulness. He has spoken a word he will surely bring it to pass. His promises are yes and Amen. None of them have ever failed or will ever fail. He will perform what he has spoken. So let us hold fast the confessions of our hope (on the word of God) without wavering for he who promised is faithful. Let us see the manifestations of his word in our lives. Keep praying praising and declaring His word. God bless you.

## **16 October**

Praise the Lord Saints of the Most High God. Today's scripture reading is from Jeremiah 18:1-6; Isaiah 45:9.

We are in the hands of the potter and Jesus Christ is the potter. We are the lump of clay in His hands. He wants to make us into beautiful vessels to be used for his glory. So He takes us through a process of breaking, melting, moulding and making through trials, tests and a refining process to perfect all things concerning us. We are glad to be in His hands. We are glad to yield to His will even at times when it is painful. We have the blessed assurance that we are in safe hands. We are in the hands of the creator who made us, the master builder that holds our future. The one who said the plans and the thoughts that I have for you are of good and not of evil. So let us say to Him have your way in me Lord and let your will be done. He will strengthen you in your process and preparation and take you to another level in your walk with him. God bless you.

## **17 October**

Praise the Lord people of the Most High God. Scripture reading for today is Proverbs 23:18 & Isaiah 54:4.

Jesus took our shame on the cross so that we will never be ashamed. Isaiah 54:4. Do not fear for you will not be ashamed neither be disgraced for you will not be put to shame. For you will forget the shame of your youth and not remember the reproach of your widowhood anymore. For you know who you have believed and you are persuaded that He is able to keep what you have committed to him until that Day. 2 Timothy 2:12. Continue to trust him completely. He will never ever let you down. He will surely work out things in your life and my life that no man can work out. Continue to hope on him and expect from him. Your expectations are of the Lord and your hope and your future is in him and it shall not be cut off. He will come through for you this very moment. Just trust him. God bless you.

## 18 October

Praise the Lord Saints of the Most High God. Scripture reading for today is Luke 10-2; John 4:34-38.

Jesus said his food is to do the will of His father and to finish His work. Jesus was so focused to accomplish what He was sent to do. This morning let us also be focused on what we have been called to do. The word of God says the harvest is plenty but the labourers are few. We are the labourers in His vineyard. Let us focus on extending and expanding the kingdom of God. Let us labour in his kingdom by preaching and testifying the word of God too many. Whatever you do in His kingdom you will be rewarded. In Luke 18:28-30, Peter said we left all things and followed you. Jesus said there is no one who has left house or parents or brothers or wife or children for the sake of the kingdom of God who shall not receive many times more in this present time and in the age to come eternal life. Today, God is talking to you. You left these things or people for me. Your reward shall be great. Where ever you are you are there for a reason. Do the work of God. Seek the kingdom of God and His righteousness and all these things shall be added unto you. God bless you.

## 19 October

Praise the Lord people of the Most High God. Scripture reading Job 23:12; & Psalms 119:9-11&15.

God wants us to treasure His word or commandments in our heart. In the book of Job; Job proclaims, I have not departed from the commandment of His lips. I have treasured the words of His mouth. More than my necessary food. Let the word of God be the food for our soul. Let us desire to study the word of God, meditate on it more and more and desire it more than the food we eat. Jesus said man shall not live by bread alone but by every word that proceeds from the mouth of God. Let us delight in His word. Let the word of God cleanse us by taking heed to it. Let us wander not from His commandments. Let the word of God be hidden in our heart and it will keep us away from sin. So when the storms of life hit. It's the word of God that will speak for you. Out of your heart shall come out the word which is your shield and sword against every lie of the devil and silence him. The word of God will raise up a standard. You will say it is written and speak to your body your marriage your career your finances your children and to every situation and circumstance in Jesus name. The word of God gives you victory. Declare it and it shall be established. God bless you.

## **22 October**

Praise the Lord children of the Most High God. Scripture reading for today is Ephesians 1:4; John 15:16; Acts 9:15-16.

You are chosen by God. He chose you and me before the foundations of the earth, that we should be holy and without blame before Him in love. He says in John 15:16 you did not choose me, but I chose you and appointed you that you should go and bear fruit and your fruit should remain that whatever you ask the father in my name He may give you. You have been chosen to bear fruit and to shine your light where ever you are. To work in your fathers kingdom to expand, extend it and to promote it. You are a chosen vessel to bring glory honour and praise to His name. You cannot kick against the goads. Surrender to His will completely and live for him. Desire him more and more. You are His possession and your life is in His hands. Make a commitment today, Lord! I am all yours. USE ME. God bless you.

## **23 October**

Praise the Lord, people of the Most High God. Scripture reading is from 2 Corinthians 4:16-18 & Proverbs 24:10.

At this moment whatever you are going through is only a temporary inconvenience. If it is your finances, family problems, brokenness or sorrow or sickness, they are all subject to change as you continue to pray in faith holding on to your promise. The word of God says therefore we do not lose heart though our outward man is perishing, yet the inward man is being renewed day by day. The things we are going through in life are making us stronger in our faith. They are light affliction compared to what Jesus suffered for us on the cross. They are temporary so don't go by what you are looking at as they will change. For we walk by faith and not by sight. Everything that is creating fear, making you anxious or upset has to change. But we imagine or picturise the things that are unseen because what is unseen is permanent and eternal. Let there be a shift in your mind. God bless you.

## **24 October**

Praise the Lord children of the Most High God. Today's scripture reading is from 2 Corinthians 10:3-6 & John 8:32;

The word of God is the truth. It is life and it is spirit filled. The enemy just wants to get to your faith and steal kill it or destroy it. Your faith is built on God's Word. Your faith is growing as you continue to read and meditate on God's Word. Jesus said you shall know the truth and the truth shall set you free. The enemy will always try to manipulate Gods Word like he did to Eve in the garden because she was not so sure of what God had spoken. When Gods speaks to us we meditate on His spoken and written word day and night for our weapons of warfare are not carnal but mighty in God for pulling down strongholds. The Word of God is a powerful weapon to wage war against Satan. Through the Word of God, you can silence battles in your mind. You can bring every thought, every imagination against God into captivity to the obedience of Christ. You can silence every lie through the truth that is the Word of God. Every negative thought we bring it under the subjection of the Word of God. You take authority over situations and circumstances using the Word of God. When you pray you use the Word of God e.g.) it is written or your Word says, O Lord! that by your stripes I am healed. You took all my transgressions on the Cross. You sent your Word and healed all my diseases. Let not your prayer be empty words but let it be filled with Gods Word and your faith. Believing that I have prayed and it is settled in heaven. Amen.

## **25 October**

Praise the lord saints of the Most High God. Scripture reading is from Hebrew 4:12 & James3:3;

The Word of God is living and powerful and sharper than any two edged sword, piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart. The Word of God has the power to transform lives by changing hearts. It has the power to change a stony heart to a fleshy heart. It gives direction by ordering our footsteps. It makes room for miracles. It travels far and wide and changes situations and circumstances. It heals delivers and sets free. It should be mixed with faith. For without faith no one can please God. The word goes forth and accomplishes the purpose for which it has been sent. It never comes back void. James 3:3 says indeed we put bits in a horse's mouth that they may obey us and turn their whole body. A horse is controlled by its head. It goes where its head goes but with a bit and a bridle in its mouth it can be controlled. So is the Word of God. Let it be in your mouth and let it control your life not your emotions and your feelings. Meditate on His Word day and night. Let the Word direct your life. God bless you.

## 26 October

Praise the Lord children of the Most High God. Today's scripture reading is Hebrews 10:19-25 & Hebrews 10: 35-39

Thank you Jesus for your blood by which we can enter the holiest by a new and living way which you consecrated for us through the veil of your flesh having Jesus Christ as our high priest. So let us draw near with a true heart in full assurance of faith having our hearts sprinkled from an evil conscience and our bodies washed with pure water that is the Word of God. Let us hold on to the confessions of our hope without wavering for He who promised is faithful. Let us not cast away our confidence which has great reward. Let us continue to walk by faith and not by sight. Let us hold on to his promises that are Aye and Amen! The just shall live by Faith. We will not draw back but wait on his word and he will come through for us. For we are holding on to his Word. His Word will be fulfilled in His time. The way he has designed it to. God bless you.

## 29 October

Praise the Lord children of the Most High God. Scripture reading is from Isaiah 66:7-9 and Exodus 1:19.

Your miracle is within you. It is in its birthing stage. Your miracle could be your healing; your dreams; your visions; the promises and the prophecies you received. God wants us to be quick to bring forth what we have been carrying for a very long time because it's due season has come. He wants us to be like the Hebrew women who were quick to deliver, alert and active. Take your prayer life to another level. Leave your comfort zone and come up higher to where He is in your walk with him. So that you can see better, hear better and act better. God is ready to deliver what you are carrying. Are you ready to handle it? Prayer prepares you for what you are going to hold and show the world and say "Look! What the Lord has done". The Bible says Zion was in labour, she gave birth. Before her pain came she delivered a male child. You are about to deliver what you are carrying. Position yourself in prayer, praise and worship. If you are lead to fast do it. For the word of God says, I will not bring you to the time of birth and not cause delivery. I will not shut the womb when the time to deliver has come. Rejoice. It's birthing time. God bless you.

## 30 October

Praise the Lord, saints of the Most High God. Scripture reading Job 14:7-9 & Ezekiel 37:1-14

There is hope in the Lord for where you are, your situation, your circumstance, your job or career, your family, your finances, your marriage and in everything that you have been believing God for. If a tree that is completely dry can spring forth at the scent or smell of water or rain. How much we who are washed in the blood, redeemed in the blood, bought by the blood, living by the word, we are a covenant people. Our hope in the Lord shall not be cut off. This morning, God is asking you – Can I heal you, deliver you, and change your situation. Turn your mourning into dancing. Do a new thing? Answer him. Yes Lord! You are more than able. He wants you to prophesy to that dry situation, to that stagnation over your body, over your son's life, daughter's life or any one whom you are concerned about. Speak life speak the word. It will respond to God's word. God will cause the winds to blow as you prophesy and bring life to every dead situation. You will see things change, and your situation and circumstance will not be the same. It's your season to experience God's power and great miracles. Take your prayer to another level. Open your mouth and speak. You will have a testimony to glorify God. God bless you!

## 31 October

Praise the Lord, people of the Most High God. Today's scripture reading is from 1 Samuel 1:8-18 & Psalms 55:16-18.

The psalmist says as for me I will call upon my God, and the Lord shall save me. Evening and morning and at noon I will pray and cry aloud, and He shall hear my voice. He has redeemed my soul in peace from the battle that was against me, For there were many against me. He has redeemed you from every battle and given you Victory. When we call on His name Jesus He will answer us while we are yet speaking He is a God who hears us. Hannah went up to Shiloh this time with a different agenda. She neither ate nor drank but went into the temple and poured out her heart before God. She offered her brokenness as a living sacrifice unto the Lord. She made a vow to the Lord. She was groaning from her heart only her lips moved but her voice was not heard; she was sorrowful in the spirit; she went into His presence one way and came out with her changed countenance. God changed her mourning into rejoicing her petition was granted. In His presence there is answer to prayer. Spend quality time in His presence. He wants to reveal His plans and strategies to you. Don't RUSH enjoy his presence. God bless you.

# MONTH of NOVEMBER

## 01 November

Praise the Lord children of the most high God. The scriptures for today's devotion are on restoration as we have entered into the season of restoration. Meditate on these scriptures and be restored. Isaiah 61:7; Jerimiah 30:17; Job 42:10; 1 Peter 5:10; Zechariah 9:12; Psalms 71:20-21; Joel 2:25-26 & 2 Corinthians 13:9-11.

The word of God says the kingdom of God suffereth violence and the violent shall take it by force. It's payback time. Instead of shame, you shall have double honour and everlasting joy shall be yours. The Lord says I will restore health to you and heal your wounds. I myself will restore you and make you strong, firm and steadfast. He will restore to you everything you have lost just like unto Job. Continue to pray for your restoration everything that the canker worm, the gnawing locust, and the chewing locust has eaten will be restored in full. No longer shall you be ashamed. You will experience the former rain and the latter rain. A month of overflow and a month of in-explainable miracles. God bless you.

## 02 November

Praise the Lord, saints of the most high God. Today's scripture reading is from Psalms 107:20-22 and John 11:38-43

November is a season of restoration, a season to experience in-explainable miracles. God is going to manifest Himself, His power and might in hopeless and dead situation. In cases that have been written off by doctors. With men, it is impossible but with our God all things are possible to those who believe. We believe that our God can do everything and anything and with him all things are possible. Eye has not seen, neither has any ear heard what God has prepared for those who love him. Job said with my ears I have heard but now my eyes see. We have heard God's miracles and we have believed. Now God wants to show us His in-explainable miracles. Our God can do so much more than what we can think of. Jesus is standing in front of Lazarus tomb four days later and saying to Martha "Did I not say to you that if you would believe you would see the glory of God? God is rolling away every stone that is blocking your miracle. Jesus stood in front of the tomb of Lazarus where he laid dead for four days and thanked His father for hearing his prayer. God wants you to look at that hopeless and dead situation or thing and start thanking God for hearing your prayers and then call it out from

its present state to be what God called it to be. Jesus said Lazarus come forth. Whatever God promised you, call it out into existence the things that do not exist and let His word be established. Then with Joy and rejoicing give him your praise and worship for what He has done. God bless you.

## **05 November**

Praise the Lord, Saints of the most high God. Today's scripture reading is from Rom 8:26-27 & Isaiah 38:1-9.

The power of deep prayer. When we don't know what to pray, the Holy Spirit prays through us and intercedes for us with groaning which cannot be uttered. He makes intercession for us according to the will of God. Let the Holy Spirit pray through you. King Hezekiah faced towards the wall and wept bitterly. His prayer turned God's decision around for him. Everything in your life can be turned around for your good by God through prayer. The prophet delivered the message to the king but the king prayed. If you have prayed moaning and groaning in the Spirit, God says; I have heard your prayers. I have seen your tears. I have extended your life. I have healed you. I have given you victory over your enemies every situation circumstance. I have turned your life. It's your season of restoration. The years of sorrow, pain and struggle have ended. Your latter end is great. God bless you.

## **06 November**

Praise the Lord, people of the most high God. Today's scripture reading is Isaiah 55:8-9 & Job 42:1-2.

The lords plans and purposes for our life is good and not evil that we may have an expected end and our hope shall not be cut off and we shall not be disappointed as we continue to hope on His word. God's thoughts for your life and His ways for your life are higher than your ways and your thoughts. Ask the Holy Spirit to give you Gods thoughts and His direction and His revelation regarding your life. God wants to download those strategies that He is about to use in your life and make it known to you. God wants to make it known to you before He makes it known to somebody else to tell you. Have a sweet communion with the Holy Spirit who will make known all things pertaining your life. None of God purposes can be hindered. Job said. "I know that you can do everything and that no purpose of yours can be withheld from you. Do you believe this. Then your God can do everything for you. And none of His purposes towards your life can be hindered. God bless you.

## 07 November

Praise the Lord Saints of the most high God. Today's scripture reading is Psalms 18:30; John 6:63 & Hebrews 4:12-13

The word of the Lord is proven. He is a shield to all who trust in Him. Hold on to His word and stand on His word. Do not compromise or settle for anything less. What God has spoken He will surely do it. His word will surely come to pass. He will never fail you. Silence every other voice that is speaking to you by the word of God. Abraham wanted to settle with Ishmael but God appeared to him at the age of 99 and told him that Ishmael is not the covenant child and that He will give him a son from his loins and that he should walk blameless. God told Jacob I will be with you until I fulfil or I have done what I have spoken. (Gen 28:15) Hannah holds on to Gods word that Lord your word says my womb shall be fruitful and not barren and I will be a joyous mother of Children. So shall I be. Even though her husband loved her a lot and told her he was to her more than 10 sons and gave her bigger portions than Peninnah. She did not settle for that but continued to pray and seek God through His word until she saw the word being established. Have you settled in life with that which is not in line with Gods word and compromised by saying its not in Gods will. Become violent in prayer and take what the word of God says by telling the enemy it is written and I shall have it. God bless you.

## 08 November

Praise the Lord people of the most high God. Today's scripture reading is Mark 4:35 -40 & Acts 27:21-25.

God's word stands forever. It will never fail you at any time. Unless we stopped believing it or we are confessing negative against the word of God or if our faith is not mixed with the word of God. Today God is reminding us that no storm that you are going through in life can kill or destroy you because I have already given you a word that is "Let us cross over to the other side". The other side has great things awaiting you, mighty miracles and great breakthroughs. The enemy can only pull your faith and belief through FEAR. The disciples had Jesus in their boat just like you and me we have Jesus in our life in us and yet we are fearful at times. God is saying you are crossing over to the other side. That problem sickness or situation cannot destroy you because I have already told you the end from the beginning. Paul told the people that there will be no loss of life among you but only of the ship why? "Because – I carry destiny, I need to bear witness of Christ". Who can kill you or destroy you. When you are in the purpose and plan of God, you are called to work in his Kingdom to expand and extend the kingdom. No weapon formed or fashioned against you shall prosper and every

tongue that is rising up against you in judgement shall be condemned. You are an overcomer. God bless you.

## **09 November**

Praise the Lord children of the most high God. Scripture reading is from Psalms 121:1-8 & Hebrews 13:6.

Help is coming your way. Whichever area you are seeking God for. He is sending help and assistance to you. The psalmist says – I will look to the hills from whence comes my help my help comes from the Lord who made heaven and earth. Your help and my help is coming from the Lord. The Lord is my helper. I will not fear what can man do to me? The Lord has heard your cry He is going to lift you up from where you are and place you in the place that he has prepared for you. He is going to bring a shift and a change in your life. You have been waiting on God to cause movement in your life. You will see God turning things around at 360 degrees. Everything will seem new and you will say but this does not look like what i asked for. This is the way God will do it. “HIS WAY”. For some of us will have to make a U turn. We were heading in one direction but God will make a U turn in our life. All that God is doing may not make sense. He is at the Wheel. Allow Him to drive you. Make room for Him. Give Him the driver’s seat. Fill the atmosphere with your praise and worship and follow Him while He is leading you. God bless you. He is ready to HELP.

## **12 November**

Praise the Lord saints of the most High God. Scripture readings from Psalms 22:3 and Hebrews 13:15

Prepare the environment by making it conducive to birth out your prophecies, gifts and your miracles. Lift your voices in praise and worship. As your praise goes up the Lord comes down and sits on the throne that you have built. Rejoice and be glad for your God reigns. He wants to come and sit on His throne of praises that you have made for him. He wants to speak to you and reveal to you great and mighty things which you know not know about. He wants to change and turn things around. Give him the highest praise. Everything that has breath praises the lord. Are you breathing then praise the Lord for the dead cannot praise him. This is the best reason to praise the Lord. Fill your home, office or the bus and train with your praise. Let the miracles birth out. God bless you.

## **13 November**

Praise the Lord people of the most High God. Scripture reading is from Psalms 69:28-36 & Psalms 71:14-16.

There is power in your joyful praise. Praise the name of the Lord with song and magnify him with thanksgiving for this shall please him better than an ox or bull. Your praise makes room for the Almighty to come and reign in your situation and your circumstances. Praise gives you victory over every stubborn situation. Praise makes a way for you. Praise can turn things around. Because you're not responding to your situation with anger or negative words or tears and sorrow but giving God praise by saying Lord, I know you are in control and something good is coming my way. Something good is coming your way. RECEIVE IT. You will hope in the lord continually and you will praise Him more and more. God bless you.

## **14 November**

Praise the Lord children of the most High God. Today's scripture reading is from Psalms 40:3; Exodus 15:11 & Luke 1:49.

The Lord has put a new song in your mouth. Praise to God. Many will see it and fear and will trust in the Lord. When God gave victory to the people of Israel a song was birth out in Moses. Moses' song – "Among the Gods who is like you. You are glorious in holiness, fearful in praises, doing wonders." God has already done the things He has spoken start writing your song and singing your song of victory. When Mary had a visitation, she believed everything that had been spoken about her and she sang her song. "For He who is mighty has done great things for me. And holy is His name". Start singing your song of praise. He has done so much for each one of us. Let us sing to him a song of praise a song of victory a song of thanks giving. Get ready to sing your song about all that He has done for you. A thousand tongues will not be enough to say it all. Start today. Your testimony is on its way. God bless you.

## **15 November**

Praise the Lord people of the most high God. Today's scripture reading is from Genesis 22:1-19 & 1 Kings 3:1-9.

Giving is an act of worship. God so loved the world that He gave His only begotten son that whosoever believeth in Him shall not perish but have eternal

life. Give your time to God, your skills and talents to be used for the kingdom of God. Your resources 'every dream and vision to God. Your family to the service of God your finances to God. Do not withhold anything from the one who gave you everything that is a sign to make God know that none of these things can separate you from the love of God. In painful times you still worship God like Abraham did. He said "I and the lad shall go and worship." Then I will sacrifice my son. My worship is my sacrifice but that doesn't hinder me from giving God what He asked of me. What is He asking you today? Give it to him. He is worthy to receive everything from you for nothing belongs to you. Have a visitation from the Lord just like Solomon had. Where the Lord asked him what do you want? Pour out your worship to him and let him have it all. He is the only one who is worthy of it all. God bless you.

## **16 November**

Praise the Lord people of the most High God. Today's scripture reading is from Micah 7:15-20 & Psalm 114:1-8.

This month we will see God's power being displayed in a mighty way just like when he brought the people of Israel from Egypt. He did great signs and wonders. It may not happen the way you are expecting it but will happen the way He will be glorified. Many shall see and be ashamed of their might. They shall put their hands over their mouth. They shall be afraid of the lord our God and shall fear because of you. At the presence of the Lord, the Earth trembles. At the presence of the Lord, the rocks turn into pools of water and the flint into a fountain of waters. You carry His presence He dwells in you. Who can stand against you? What can plot against you and stand? He dwells in us what can stand against us. Every difficult situation we are in at this moment. He has already. Given us victory. Our bodies are healed because the healer lives inside of us. He has fought every battle and has given us victory. God bless you.

## **19 November**

Praise the Lord people of the most High God. Scripture readings for today is Psalms 89:34; 2 Samuel 22:31; Hebrews 6:13-18.

The word of God says that the covenant that God made with His children is unshakeable, for God, who cannot lie has both made a promise and confirmed it by an oath. His covenant he made with you cannot be altered. The meaning of covenant is a bond, contract, treaty or agreement made between two parties. God says, "No I will not break my covenant, I will not take back a single word I said." The other party is you. What is your believing? What is your confessing and

declaring? How you are responding to the situation and circumstance. What you are expecting and what you are seeing plays a vital role. Because both parties must stand on what they agreed. God is very clear in His word. It's we who need to stand strong. The word of the Lord tested Joseph until the word came to pass. When we receive a word, that word will take us through a test before it gets fulfilled. Some of us have gone through various test and have come out victoriously. Others need to pray and seek strength from His word to overcome every challenge. God's way is perfect. All the Lord's promises prove true. He is a shield for all who look to Him for protection. God bless you.

## **20 November**

Praise the Lord Saints of the most High God. Today's scripture reading is from Hebrews 12:25-28 & Haggai 2:6-7.

Those who trust in the Lord are like mount Zion which cannot be moved but abides forever. Just like David we can say I have set the Lord always before me. Because He is at my right hand, I shall not be moved. No matter what we are going through we will stand strong on Him. Nothing can shake us because we have built our lives on Solid rock Jesus Christ. No storms no floods can destroy us because our house is built on solid rock. Let us continue to hear his heavenly voice. His voice will shake not only the earth but also the heavens and remove things that are shaken so that which cannot be shaken may remain for His Glory. God bless you.

## **21 November**

Praise the Lord Saints of the most high God. Today's scripture is Psalms 107:1-2 & Jonah 2:7-9.

In everything we give thanks to God for this is the will of God for you in Christ Jesus. Let us spend some time in thanking God for all that He has done for us the knowing and the unknowing the seen and the unseen. The things that haven't manifested yet believing God that He has already done it for us. Let us thank God for where we are right now. Jonah was in the belly of the fish. It was not a good place to be in but he said he will offer a sacrifice with a voice of thanksgiving. You also may not be happy with what you are going through and how things are working and where you are in your life at the moment. Today take your time to burst out in thanksgiving and a heart filled with gratitude. It was thanksgiving that brought Jonah out. Its thanksgiving that will pave your way out. Start thanking God now. I'm sure you have something to thank God for. God bless you.

## **22 November**

Praise the Lord children of the most high God. Today's scripture reading is Hosea 4:6 & Habakkuk 2:2-3.

The just shall live by faith. Everything we face in life we gain victory over it by faith. God has given us several promises, visions and prophecies. We need to write them down and write them down plain. So that you are running your life reading it. Make your movement reading Word of God. Taking decision reading it. Also encouraging others through it and standing on it till the very end. Knowing that it will prove itself. It is for an appointed time. That vision is connected to time. In due time or season it shall come to pass. Therefore do not become weary or tired doing good and do not lose heart. At the appointed time it shall speak and it will not lie. Though it tarries. Though it is taking time wait for it because it will surely come to pass. God bless you.

## **23 November**

Praise the Lord children of the most high God. Scripture reading is Psalms 30:11-12 & Psalms 126:5-6

In the book of Nehemiah, it says – Do not sorrow mourn or weep for the joy of the Lord is your strength. God is still in control. He is in the centre of it all. Sometimes it looks as if we lost because of what we wanted and expected but it did not happen the way we wanted. But God has His own way of doing things. We must learn to acknowledge him at all times so that He will direct our path. When God sees our sorrow our pain He looks at us with His mercy love and grace. “You really do not know what is awaiting you at the end of it all”. He is the Alpha and Omega; The beginning and the end; The First and the Last; and He is in control. Naomi refused to take off her sack cloth and even changed her name to Mara. But when she saw how Ruth's life was falling in line she started helping her to be in line with God and she also walked into God's plan. The season of sowing while weeping has ended. A season of gathering the harvest joyfully has come. Do not delay. Accept the new season that is awaiting you and enter the new season with JOY. God bless you.

## **26 November**

Praise the Lord children of the most high God. Scripture readings from 1 Sam 15:22-23 & Gen 26:1-3;

The word of God says; To obey is better than sacrifice. When God speaks to us, God wants us to not only listen to Him but also follow His instructions. If God has given you instructions and you haven't followed it or done it -Take heed to his voice and obey. For rebellion is like witchcraft and stubbornness. It is an iniquity and idolatry. When we reject God's word, God rejects us but when we keep his word, He blesses us. Many blessings come with obedience. Isaac obeyed Gods word when the Lord told him "Do not go down to Egypt live in the land of which I tell you. I will be with you and bless you and your descendants. I will give all these lands and perform the oaths which I swore to Abraham your father". Isaac obeyed and He prospered in the land. You follow His instructions and you too shall prosper nothing can stop you from receiving your blessing. You are blessed just obey. God bless you.

## **27 November**

Praise the Lord People of the most High God. Today's scripture reading is from Psalms 91:1-2 & Psalms 16:11.

Make room for His presence and dwell in His presence. Desire His presence more than anything in this world. Stay in His presence receive strength. David received His strength in the presence of the Lord. In His presence there is fullness of Joy and there are pleasures at His right hand forever more. Prepare the environment with your praise and worship for who is. Giving Him thanks for everything that He has done for you and even where you are at the moment. Thank Him for the things you had to go through which you did not want to go through. Thank Him for the painful things and the falsely accused things you had to go through when it was not your fault. Let your prayer be – "Lord for your Love I'm ready to go through all these things" with genuine thanksgiving from the bottom of my heart because they all are directing me to be who you want me to be and become what you want me to be. You won't be long there. He will carry you out on eagle's wings. Enjoy His presence and carry His presence. God bless you.

## **28 November**

Praise the Lord saints of the most high God. Scripture reading is from 2 kings 4 :8-38 & John 15:4-5

Make room for Him and he will make room for you. Abide in me and I will abide in you. The shunamite women did not want the prophet to be a visitor, she wanted him to dwell in her house. So she made room for him and made the place comfortable so that when he visits next time he would not only eat and drink but would rest in the place which she prepared for him. In our lives we have room for

everything and we try to make room to fit all what we want and who we want and we got very little space for the Great I AM. Who has the power to do all things for us and make all things possible. Give Him his space and make room for him and He will make room for all other things. The women made room for the prophet she received the impossible. When her child died she went back to the room and lay him down in that room. She declared it is well and saw all was well. Today make room for Him in complete surrender and He will make room for you. God bless you.

## **29 November**

Praise the Lord children of the most high God. Today's scripture reading is from 2 Chr 7:14 & 1 Chr 4:9-10.

The Bible says if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sins and heal their land. Let us humble ourselves under the mighty hand of God that we may be exalted. Let us pray like Jabez called unto the Lord "Oh! That you would bless me indeed and enlarge my territory that your hand would be with me and that you would keep me from evil that I may not cause pain". So God granted him what he requested. Today has you pray God will heal your pain and brokenness. You will move from a situation of pain and sorrow to a situation of victory. For the hand of the Lord is upon your life he will keep you away from every evil and He will enlarge your territories. God bless you.

## **30 November**

Praise the Lord people of the most high God. Today's scripture reading is from Psalms 145:14-16 & Acts 3:5-8.

The word of God says. Every good and perfect gift comes from the father of Lights in whom there is no variation or turning back. He has good gifts and perfect gifts for us. Let us look to Him and expect from Him what He has in store for each one of us. The man at the gate of Beautiful was expecting some kind of help that is silver or a gold coin from the disciples like He was expecting from everyone each day but the Lord had something greater than that in store for Him. As you are expectant of the Lord you also expect that something greater is coming your way. The Lord will open His hands and satisfy the desire of every living thing. Your desire will be satisfied. He will satisfy you with good things. God bless you.

# MONTH of DECEMBER

## 03 December

Praise the Lord people of the most high God. Today's scripture reading is from Psalms 121:1-2 & 1 kings 17: 8-16.

I will look to the hills from whence cometh my help. My help cometh from the Lord who made heaven and earth. Your help is coming from the Lord. When we look into the scripture we see the Lord telling the prophet "Arise and go to Zarephath which belongs to Sidon and dwell there, see I have commanded a widow there to provide for you". This widow is gathering sticks for her last meal. She needs help and a turn around and God sends the prophet to her saying that she will provide for you. This is a miracle in disguise. She had to make a choice to do what the prophet told her to do in order for her to experience a turning over experience. Today you have help coming your way. You have a miracle coming your way with your name on it. Access it. God bless you.

## 04 December

Praise the Lord Saints of the most high God. Scripture readings are Philippians 4:4 & Habakkuk 3:17-19.

Rejoice in the Lord always again I say rejoice. God wants us who are His people to rejoice and to be glad because He is the Lord of our lives and He is in control. He is the maker, creator and ruler over everything. He wants us to be joyful because of who He is in my life and in your life. Everything may not have worked or may not be working the way you and I wanted it to work but its working for our own good. God is taking us through these things and practically making us learn something out of what we are going through. To make us better people. To make us be like him. Patient kind and gentle. Slow to speak and quick to hear. Being doers of what He is saying and not hearers, knowing where you are ( He) the great I am is with you. So let us meditate on this scripture – "Though the fig tree may not blossom, nor fruit be on the vines; Though the labour of the olive may fail, And the fields yield no food; Though the flocks may cut off from the fold, And there be no herd in the stalls; Yet I will REJOICE in the Lord, I will joy in the God of my salvation". God bless you.

## **05 December**

Praise the Lord children of the most High God. Today's scripture is from 2 Kings 4:1-7 & Malachi 3:8-12.

God wants to open for you the windows of heaven and pour out for you such blessings that there will not be room enough to receive it. Sow your tithes into the house of the lord. Don't deprive or rob God of what is His. When you do what God's word tells you to do. He will rebuke the devourer for your sakes. Sow your time, your prayers, and your finances and be about your fathers business. Let God bless you. with uncontainable blessings. Every talent and every gift be used for His Kingdom. The women had little oil and she was asked to use it and she saw a miracle of uncontainable blessing. God put something in you. Your miracle is in you. Use it for the glory of God. He wants to shower his abundant blessings on you. You would have no room to contain it. God bless you.

## **06 December**

Praise the Lord children of the most High God. Today's scripture reading is Mathew 4:4; Job 23:12 & Joshua 1:8.

Read the word of God regularly and meditate on His word day and night. Let not these words depart from your mouth. Observe to do according to all that is written in it. For then you will make your way prosperous and then you will have good success. The word of God is powerful than a double edged sword. It can go to places where you can't go. And shift things and make way and room that you cannot. That's why Jesus quoted the scripture "Man shall not live by bread alone but by every word that proceeds from the mouth of God. You and I cannot live by bread alone we need the word of God Job said "I have not departed from the commandments of His lips. I have treasured the words of His mouth. More than my necessary food". Let us treasure the word of God and let's declare His word with boldness. God bless you.

## **07 December**

Praise the Lord Saints of the most high God. Today's scripture is Proverbs 19:21 & Psalms 33:10-11.

The plans that God has for each one of us is good and not of evil that we may have an expected end. We lift our plans to God and say these are our plans, but let your plans be fulfilled in our lives because you hold our future you know what

is good for us. Let every other plan that is not of God be brought to no effect. Let the counsel of the Lord stand forever. There are many plans in a man's heart, nevertheless it is the Lord's counsel that will stand. None of God's thoughts towards your life shall be hindered. Have your way Lord. God bless you.

## **10 December**

Praise the Lord Saints of the most High God. Scripture reading is from Luke 1:26-38 & 2 Cor 4:16-18.

God wants the supernatural to take over our lives. His word says "while we do not look at things which are seen but at the things which are unseen. For the things which are seen are temporary but the things which are not seen are eternal". So we believe and call the things into existence that do not as though there were. God wants to break the walls of natural and He wants us to walk in the supernatural where we cannot be limited. The supernatural cannot happen by might and power but it can happen by the power of the Holy Spirit and by the word that you are holding on to and confessing with your faith. Mary questioned and was answered unto, that the Holy Spirit will come upon you and the power of the almighty will over shadow you. Today we have the spirit of God in us and the power of God that is – His word that works in us. Let us say, Lord be it done to me according to your word. Let your word be brought into fulfilment in my life. Walk in the supernatural. God bless you.

## **11 December**

Praise the Lord children of the most High God. The scripture readings are from Psalms 57:2; Job 23:13-14; Luke 1:45.

God's word is powerful, spirit filled and alive. It never goes forth and comes back void but it fulfils the purpose for which it had been sent. Mary believed in the word of God so there was fulfilment of those things that which were told to her from the Lord. God is watching over his word to perform it in our lives. Job said the Lord will perform that which He has appointed for me and many such things are with Him. Today God is speaking to you He will perform everything that He has appointed for you. He will perform all things for you. Meditate on His word and be blessed. God bless you.

## **12 December**

Praise the Lord Saints of the most high God. Today's scripture reading is from the book of Jeremiah 29:10-11, 32:40-42; 33:9, 14

The Lord is about to perform his good word towards you. God will fulfil every promise He has spoken regarding you at the appointed time. God was talking to them in their captivity likewise God is talking to us in the situation and circumstances we are in and telling us that He will rejoice over us to do good. His word says, "Behold the days are coming says the Lord that I will perform that good thing which I have promised to the house of Israel and the house of Judah". God will perform that good thing towards your household. Lift up your voice in praise and thanksgiving and receive your good thing from the Lord. Wait with great expectations for the good thing from the Lord. God bless you.

## **13 December**

Praise the Lord children of the most high God. Today's scripture reading is from Psalms 5:12; Genesis 39 :1-6 & 21-23;

The word of God says that He will bless the righteous with favour and surround him with favour. God has blessed us with his favour. God delights in us and we have God's approval in everything we are favoured. Like Joseph sold into Potiphar's house as a slave but did not remain as a slave because of the favour of God. God was with Joseph and the household of Potiphar prospered because of Joseph. Joseph found favour in the sight of his master and his master made him an overseer of his house. Joseph also found favour with the prison in charge and was given to be the head in charge because God was with him. May you operate with the favour of God. May the Lord delight in you and approve you and may you be promoted in every area in your life. Esther found favour with Hegai because she pleased him and she was given special treatment. Esther 2:15 and Esther found favour in the sight of all who saw her and in verse 17 it says she obtained grace and favour in the sight of the king more than all the other virgins. Today let each one of us see Gods favour move us into places we never expected. Receive things we never dreamed about and experience Gods favour and His approval in our lives in a mighty way. God bless you.

## **14 December**

Praise the Lord saints of the most High God. Scripture reading is from the book of 1 Thessalonians 5:15-22; Romans 8:28.

We are at the end of another week that God has carried us through. Let us give him the praise and thanks giving the glory honour and praise. The will of God for us in our lives is to give thanks to God in all situations and at all times. God is not just a God that works out good things and the enemy works out bad things. God works out all things for my good and you're good. Even when they look bad to us there is still something good that is going to come out of it. God is working it for good to whom? To them that love the Lord who are called according to His purpose. That is you and me! What you are going through is not to destroy you but to build you up. Embrace it and you will come out victoriously. God bless you.

## **17 December**

Praise the Lord children of the most High God. Today's scripture reading is from Hebrews 11:6; Mark 9:23-24; Mark 11:20-24.

We are almost coming to the end of this year and we just got 14 days left for this year to end and for us to be in the New Year 2019. Let us thank God for all that He has done for us. Let us hold on to our faith for the things that are yet to manifest. Without giving up. Knowing that the one who spoke will surely perform it. The word of God says that without faith we cannot please God. He who comes to God must believe He is and a rewarder of them who diligently seek him. Today diligently seek the Lord for him to move and sort out things in your life. Jesus told the man if only you believe you shall receive. Take moments today in thanking God for things that haven't yet manifested as if they were and you have received them. You are not far from your break through. God bless you.

## **18 December**

Praise the Lord people of the most high God. Today's scripture reading is from 2 Cor 1:20; 1 Kings 8:56 & Numbers 23:1-2.

The word of God says "For all the promises of God in Him are Yes and Amen, to the glory of God through us". What God speaks is final hold on to it. Nothing else has the power to stand against His word. Whatever is standing against your life will have to flee and make way for His word to be manifested. The Lord had already given them the Promised Land. They had to go and occupy and take what has been given to them. Everything else has to vacate and make room for them. God's word has the power to make room for you. They didn't have to worry about the giants. They had to have their mind set to take what God had promised them. Today you need to confess and act and you will see the result. Until now not one

of His promises have failed or will ever fail. Hold on and act. Faith without actions is dead. God bless you.

## **19 December**

Praise the Lord Saints of the most High God. Scripture readings for today are Joshua 6:18; Joshua 7:1-14 & Psalms 51:2-3;

As we are coming to the end of this year. Let us take time to introspect our lives and check to see if there is anything that we are doing or if we have opened a door for the enemy to operate in our lives knowingly or unknowingly Is there anything in our lives that is not in line with Gods word and we are fine with it but not God. It has to go and you have to let go off it. Otherwise it would be like Achan's Babylonian garment and stuff that he took and hid in his tent that caused them to lose the battle. God commanded them not to touch or abstain from things that are accursed but He didn't obey. God knows our thoughts our secret conversations and the things that we are involved. He wants to wash you completely from every kind of weakness and habit that you are not able to come out of. So that you can lead a victorious life. Let him cleanse you purify and make you whole. Have a wonderful day as you walk in God given victory. God bless you.

## **20 December**

Praise the Lord people of the most high God. Today's scripture is from Job 8:7 & Job 42:12-13

We are almost coming to the end of this year. We have got just 11 days left to spent powerful prayer time in His presence. Declaring the year ahead to be a greater glorious one than this. No matter how you started this year you will end the year well. The word of God says "Though your beginning was small, yet your latter end would increase abundantly". Though your beginning was insignificant, yet your end shall increase greatly". No matter what you been through. It might not have been easy with the ups and downs and the highs and the lows. God is with you in the valley He is with you on the mountain. He said, He would never leave you nor for sake you so put your hand in the hand of the master Jesus and walk with him in life's journey. He will never let go off you. Even if you let go off him. He loves you. Be strongly connected to Him through His word. Jesus said if you love me you will keep my commandments. God bless you.

## 21 December

Praise the Lord saints of the most high God. Today's scripture readings are Psalms 37:4-5; Isaiah 66:1-4

Let the things of the Lord delight you e.g., reading His Word and meditating on Scripture. Walking in line with God's word. Praying, praising, worshipping and witnessing for Christ. These things God delights and He takes pleasure in it when you do it with the right attitude. When you delight yourselves in these things, God gives you the desires of your Heart and when you commit your ways to the Lord. He will give you the desires of your hearts. Isaiah 66:2 (second part)- "But on this one will I look. On him, who is poor (humble) and of a contrite spirit. And who trembles at my word". This morning, give him your worship thanks giving and praise. He delights in them and you delight in Him. Think about His goodness towards you. God bless you.

## 24 December

Praise the Lord Saints of the most high God. Today's scripture readings are Psalms 37:4-5; Isaiah 66:1-4;

Let the things of the Lord delight you e.g. reading His word and meditating on Scripture. Walking in line with God's word. Praying, praising, worshipping and witnessing for Christ. In these things, God delights, and He takes pleasure in it when you do it with the right attitude. When you delight yourselves in these things, God gives you the desires of your Heart. And, when you commit your ways to the Lord, He will give you the desires of your hearts. Isaiah 66:2 (second part) "*But on this one will I look. On him who is poor (humble) and of a contrite spirit. And who trembles at my word.*" This morning give him your worship thanks giving and praise. He delights in them and you delight in Him. Think about His goodness towards you. God bless you.

## 25 December

Praise the Lord Saints of the most high God. Today's scripture is from Proverbs 23:18 & Psalms 62:5-8.

The word of God says "*For surely there is a latter end (a future and a reward) and your hope and expectation shall not be cut off*". When we pray we must expect that we will see the manifestation and the miracles. Every morning, we wake up to His mercies that are new every morning. We give Him thanks. We

offer our praise. We walk in His favour and grace. As we are in the latter part of this year our expectation should be great because our expectation is from Him. He is our rock, our salvation, our defence and we shall not be moved. Trust in Him at all times! You people! Pour out your heart before him. God is our refuge. The expectations of the righteous shall not be cut off. God bless you.

## **26 December**

Praise the lord people of the most high God. Today's scripture reading is from Isaiah 9:2-7; Luke 1:26-36.

A season of Good tidings. The angel appeared and gave Mary the good news that she will be the mother of the saviour Jesus Christ and it will occur or happen by the power of the Holy Spirit in a supernatural way. This season we also have great expectations of seeing a mighty move of Gods power. Its a season of Great Joy Peace and Hope. Our Joy shall be multiplied for our saviour has removed burdens of our shoulders and put an end to every oppression. He brought us out of captivity into His freedom by calling us sons of the most high God. He pulled us out from darkness into His light. He has filled us with his peace. He will fulfil every prophesy "*for the zeal of the Lord of host will perform this*". He will perform all things for you. Have a joyous Christmas. God bless you.

## **27 December**

Praise the Lord Saints of the most high God. Today's scripture reading is from Matthew 5:14 -16 & Matthew 9:37-38

In this season of celebrating the birth of our saviour Jesus Christ. Let us shine our light by giving Jesus as the most precious gift to many who do not know him by our love and our actions. "You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lamp-stand, and it gives light to all who are in the house. "*Let your light so shine before men, that they may see your good works and glorify your father in heaven*". The harvest is plenty but the labourers are few. Let us go out into the world and share the good news and prepare for His coming. Share the light. God bless you.

## **28 December**

Praise the Lord children of the most high God. Today's scripture reading is from Gen 24:50 & Gen 41:32

God's visions, His dreams, promises and prophecies for your life will be surely fulfilled. When Eliezer, Abraham's servant narrated the entire scenario to Laban and Bethuel they said "*the thing comes from the Lord we cannot speak to you either bad or good*". When God speaks and does things, we just embrace it we do not say anything against it. God has given us great visions, dreams which only he can establish for us and bring it to pass in our lives. When Joseph heard, Pharaoh had the dream repeated twice. He said "because the thing is established by God, and God will shortly bring it to pass. Everything God has spoken into your life whether it was through a dream, vision or His word. He will shortly bring it to pass. He is not a man to lie nor the son of man to repent. Has he not spoken will He not do it. He who has called you is faithful to do it. God bless you.

## **31 December**

Praise the Lord People of the most high God. Today's scripture reading is Exodus 3:7-9; Exodus 3:20 & Psalms 72:17-20

The Lord heard the cry of the people of Israel while there were in Egypt. God has heard our cry where ever we are. He will deliver us and bring us out with victory. The Lord told Moses that he will do wonders in their midst in Egypt and that Pharaoh cannot hold back but let them go. Nothing can hold you back or stop you from where you have to get to because of the Lord in your life. Continue to pray and declare His word. Blessed be the Lord God of Israel who only does wondrous things. He has done wondrous things for us so let us give him all the praise. God bless you.
